# 3 Doors Down

## 1 Here Without You

*Am F G*

1. A hundred <sup>*Am*</sup> days have made me older  
Since the last <sup>*G*</sup> time that I saw your pretty face <sup>*Am F G*</sup>  
A thousand <sup>*Am*</sup> lies have made me colder  
And I don't think I can look at this the same <sup>*Am F G*</sup>  
<sup>*Am*</sup> All the miles that separate <sup>*G*</sup>  
<sup>*Am*</sup> Disappear now when I'm dreamin' of your face <sup>*F*</sup> <sup>*G*</sup>

<sup>*C*</sup> I'm here without you baby <sup>*G*</sup>  
But you're still on my lonely mind <sup>*Am*</sup>  
I think about you baby  
<sup>*F*</sup> <sup>*G*</sup>  
And I dream about you all the time  
<sup>*C*</sup> I'm here without you baby  
<sup>*G*</sup> But you're still with me in my dreams <sup>*Am*</sup>  
<sup>*F*</sup> <sup>*G*</sup>  
And tonight, there's only you and me

*Am G Am F G*

2.     <sup>Am</sup> The miles just keep rollin'  
       <sup>G</sup> As the people leave their way to say hello <sup>Am F G</sup>  
       <sup>Am</sup> I've heard this life is overrated  
       <sup>G</sup> But I hope that it gets better as we go <sup>Am F G</sup>

### Chorus

<sup>Am</sup> Everything I know, <sup>C</sup> and anywhere I go  
<sup>G</sup> It gets hard but it won't <sup>F</sup> take away my love  
<sup>Am</sup> And when the last one falls, <sup>C</sup> when it's all said and  
       <sup>G</sup> done  
       <sup>F</sup> It gets hard but it won't <sup>F</sup> take away my love <sup>C G Am F G</sup>

### Chorus

---

1.  $\begin{array}{c} 4 \\ | \end{array} Bm \mid G6 \text{ Asus2} \mid$

I took a walk around the world to ease my troubled mind,

I left my body lyin somewhere in the sands of time.

I watched the world float to the dark side of the moon,

I feel there's nothin I can do, yeah.

2. I watched the world foat to the dark side of the moon.

After all I knew it had to be somethin to do with you.

I really don't mind what happens now and then,

as long as you'll be my friend at the end.

$Bm$  If I go crazy then will  $G6$  you still call me  $Asus2$  superman.

If I'm alive and well will you be there a holdin my hand,

I'll keep you by my side with my super human might,

Kryptonite.

3. You call me strong, you call me weak, but still your secrets I  
will keep,  
you took for granted all the times I never let you down.  
You stumble again and bump your head, if not for me then  
you'd be dead.  
I picked you up and put you back on solid ground.

#### Chorus

I took a walk around the world to ease my troubled mind,  
I left my body lyin somewhere in the sands of time.  
I watched the world float to the dark side of the moon,  
I feel there's nothin I can do, yeah.

#### Chorus

1. *Am* There's a fire *E* starting in my heart

*Am Dm G Am*  
Ah-uuh - uuh, ah-uhh uh uuh

*Am Dm G Am*  
Ah-uuh - uuh, ah-uhh uh uuh

1. *Am Dm* Freitagabend und ich war unterwegs,  
*G Am* Auf der Suche nach Amusement und zügellosem Sex.  
*Am Dm* In der Discothek war eine auf der Balz:  
*G Am* 90-60-90 und Beine bis zum Hals.

*Am Dm* Keiner traute sich so richtig an sie ran.

*G Am* Ich sagte: "Baby, bist Du vielleicht auf der Suche nach 'nem  
Mann?

*Am Dm* Die Suche ist zu Ende. Baby, ich bin hier,

*E7* Und jetzt beeil Dich, unser Taxi steht schon draußen vor  
der Tür."

*Am G F Em Dm*  
Doch erst als sie bei mir zu Hause war,

*Am G F E*  
Wurde mir das Ausmaß der Tragödie wirklich klar.

*Am G F Em Dm*  
Sie kam aus meiner Dusche und ich sah -

*C G Am G F E Am G F E*  
Angeschissen: Wonderbra - a - a! Push-up-BHs - a - a!

2. Ich fuhr in die Disco zurück.

Beim zweiten Versuch hat man immer mehr Glück.

Da sah ich auf der Tanzfläche ein Teil.

Lange Haare, große Augen, die war genau mein Fall.

Es war ziemlich voll und dichtgedrängt,

Aber ich zeigte ihr trotzdem wo der Tanzhammer so hängt.

Ich flüsterte ihr Schweinereien ins Ohr,

Und sie schmolz dahin wie Schnee auf 'nem Ford-V8-Motor.

Da zog ich sie auf's Klo, was immer zieht.

Sie drehte total auf, ich wußte kaum wie mir geschieht.

Doch manchmal ist da mehr, als man erst sieht -

Reingefallen: Transvesti - it! Mädchen mit

Gli - - ied!

Aaah-uuuh...

3. Ich hatte wirklich alle Tricks probiert.

Ich war nicht mehr verzweifelt, ich hatte resigniert.

Da lächelte ein Engel mich an,

Und fragte, ob sie sich vielleicht zu mir setzen kann.

*Am* *Dm*  
Ich sah sofort, ihr Busen, der war echt.

*G* *Am*  
Sie sah aus, als lief sie Werbung für das schönere Geschlecht.

*Am* *Dm*  
Da fragte sie mich: "Kommst Du mit zu mir?"

*E7*  
"Ist der Papst katholisch?" und schon waren wir bei ihr.

*Am* *G* *F* *Em Dm*  
Sie zog sich aus und fragte: "Hast Du Lust?"

*Am* *G* *F* *E*  
Da wurde mir das Ausmaß ihrer Schönheit erst bewusst.

*Am* *G* *F* *Em Dm*  
Ich schloss sie in die Arme, da war Schluss:

*C* *G* *Am G F*  
Es darf nicht wahr sein - vorzeitiger Samenergu - - uss,

*E* *Am G F* *E* *Am G F E*

Intro:<sup>4</sup> C | Dm | G | C

1. Mein Genital tut fruchtbar weh, immer dann, wenn ich pissé

Das kommt wohl vom Geschlechtsverkehr - ich schätze mal,

ich hab Tripper

Und das prangere ich an, das stelle ich zur Diskussion

Irgendwer ist schuld daran, dass ich nicht mehr pinkeln kann

Und das prangere ich an

2. Ich hab mich schrecklich aufgeregt, weil mir das Essen nicht

mehr schmeckt

D.h. ich bin total kaputt und mindestens hab ich Skorbut

Und das prangere ich an, das verurteile ich scharf

Es darf nicht sein, was leider ist - ich glaub, ich werde Fatalist

Und das prangere ich an

3. Meine Finger fallen aus, ich muss sofort ins Krankenhaus

Bevor mein Lebenslicht erlischt: die Lepra hat mich schwer

erwischt

Und das prangere ich an, das find ich wirklich unerhört

Ich bin entsetzt, ich bin empört, weil irgendjemand mich  
zerstört

Und das prangere ich an

Und das prangere ich an, das find ich überhaupt nicht gut

Lepra, Tripper und Skorbut - ich bin dagegen, absolut

Und das prangere ich an

Ah, look at all the lonely *Em* people!

1. *Em*  
Eleanor Rigby picks up the rice

In the church where a wedding has *C* been

Lives in a *Em* dream

Waits at the window

Wearing the face that she keeps in a jar by the *C* door

Who is it *Em* for?

*Em7* *Em6*  
All the lonely people

Where do *C/E* they all come from? *Em*

*Em7* *Em6*  
All the lonely people

Where do *C/E* they all belong? *Em*

## 2. Father McKenzie

Writing the words of a sermon that no one will hear

No one comes near

Look at him working

Darning his socks in the night when there's nobody there

What does he care?

### Chorus

Ah, look at all the lonely people!

Ah, look at all the lonely people!

## 3. Eleanor Rigby died in the church

And was buried along with her name

Nobody came

Father McKenzie wiping the dirt

From his hands as he walks from the grave

No one was saved

All the lonely people (Ah, look at all the lonely people!)

Where do they all come from?

All the lonely people (Ah, look at all the lonely people!)

Where do they all belong?

## 2 *Hey Jude!*

1. Hey <sup>F</sup>Jude, don't make it <sup>C</sup>bad  
Take a <sup>C7</sup>sad song and make it <sup>F</sup>better  
Remember to let her into your <sup>B<sup>b</sup></sup>heart <sup>F</sup>  
Then you can start to make it <sup>C7</sup>better <sup>F</sup>

2. Hey <sup>F</sup>Jude, don't be afraid <sup>C</sup>  
You were made to go out and get her <sup>C7</sup> <sup>F</sup>  
The <sup>B<sup>b</sup></sup>minute you let her under your <sup>F</sup>skin  
Then you begin <sup>C7</sup>to make it <sup>F</sup>better

<sup>F7</sup>And anytime you feel the <sup>B<sup>b</sup></sup>pain, hey Jude, <sup>Gm</sup>refrain

Don't carry the <sup>C7</sup>world upon your <sup>F</sup>shoulders

<sup>F7</sup>For well you know that it's a <sup>B<sup>b</sup></sup>fool who plays it <sup>Gm</sup>cool

By making his <sup>C7</sup>world a little <sup>F</sup>colder

<sup>F7</sup>Da da da <sup>C7</sup>da, da da da da da da

3. Hey Jude, don't let me down  
You have found her, now go and get her  
Remember to let her into your heart  
Then you can start to make it better

You're waiting for someone to perform with  
And don't you know that it's just you, hey Jude, you'll do  
The movement you need is on your shoulder

4. Hey Jude, don't make it bad  
Take a sad song and make it better  
Remember to let her under your skin

1. When I find myself in times of trouble  
 $\overset{C}{Am}$  Mother Mary  $\overset{G}{F}$  comes to me  
 $\overset{C}{C}$  Speaking words of  $\overset{G}{G}$  wisdom  
 $\overset{F^*}{F^*} \overset{E^*}{E^*} \overset{D^*}{D^*} \overset{C^*}{C^*}$   
 Let it be

And in my hour of darkness

She is standing right in front of me

Speaking words of wisdom

Let it be

Let it  $\overset{Am}{be,}$  let it  $\overset{G}{be}$   
 Let it  $\overset{F}{be,}$  let it  $\overset{C}{be}$   
 $\overset{C}{C}$  Whisper words of  $\overset{G}{G}$  wisdom  
 $\overset{F^*}{F^*} \overset{E^*}{E^*} \overset{D^*}{D^*} \overset{C^*}{C^*}$   
 Let it be

2. And when the broken hearted people  
 Living in the world agree  
 There will be an answer  
 Let it be

For though they may be parted there is

Still a chance that they will see

There will be an answer

Let it be

3. And when the night is cloudy

There is still a light, that shines on me

Shine on till tomorrow

Let it be

I wake up to the sound of music

Mother Mary comes to me

Speaking words of wisdom

Let it be

1. Yesterday
- All my troubles seemed so far away
- Now it seems as though they're here to stay
- Oh, I believe in yesterday

2. Suddenly
- I'm not half the man I used to be
- There's a shadow hanging over me
- Oh, yesterday came suddenly

Why she had to go

I don't know, she wouldn't say

I said something wrong

Now I long for yesterday

3. Yesterday
- Love was such an easy game to play

- Oh, I believe in yesterday

#### 4. Yesterday

Love was such an easy game to play

Now I need a place to hide away

Oh, I believe in yesterday

I don't know how you were diverted

You were perverted too

I don't know how you were inverted

No one alerted you

While my guitar gently weeps

Look at you all

Still my guitar gently weeps

## 1 *The Bard's Song*

### Intro

### 1. *Am*

Now you all know

The bards and their songs

When hours have gone by

I'll close my eyes

In a world far away

We may meet again

But now hear my song

About the dawn of the night

Tomorrow will take us away

Far from home

No one will ever know our names

But the bards' songs will remain

Tomorrow all will be known

And you're not alone

So don't be afraid

In the dark and cold

'Cause the <sup>F</sup>bards' songs will rem-a <sup>G</sup>-a <sup>C</sup>- <sup>G/B</sup>- <sup>Am</sup>ain

They <sup>C</sup>all <sup>G/B</sup>will <sup>Am</sup>remain

In my thoughts and in my dreams

They're always in my mind

These songs of hobbits, dwarves and men

And elves

Come close your eyes

You can <sup>C</sup>see <sup>G/B</sup>them <sup>Em</sup>too

## 1 *The Bad Touch*

$\frac{4}{4}$  | *Am* | *C* | *G* | *F*

1. Sweat, baby, sweat, baby

Sex is a Texas drought me and you

Do the kind of stuff that only

Prince would sing about, so put your

Hands down my pants and I'll

Bet you'll feel nuts, yes, I'm

Siskel, yes I'm Ebert and you're

Getting two thumbs up, you've had e-

nough of two-hand touch, you want it

Rough, you're out of bounds, I want you

Smothered, want you covered, like my

Waffle House hash browns, come quicker than Fed

Ex, never reaching apex like Coca-Cola

Stock you are inclined to make me

Rise an hour early just like

Daylight Savings Time

You and me baby ain't nothin' but mammals

So let's do it like they do on the Discovery Channel

(Do it again now)

You and me baby ain't nothin' but mammals

So let's do it like they do on the Discovery Channel

(Gettin' horny now)

2. Love, the kind you clean up  
With a mop and bucket, like the  
Lost catacombs of Egypt, only  
God knows where we stuck it, hiero-  
glyphics, let me be Pacific, I want to be  
Down in your South Seas, but I got this  
Notion that the motion of your ocean, means small  
Craft advisory, so if I cap-  
size in your thighs, high tide, B5, you  
Sunk my battle ship please turn me  
On, I'm Mr. Coffee with an  
Automatic drip, so show me  
Yours I'll show you mine, "Tool Time", you'll  
Love it just like Lyle, and then we'll  
Do it doggie style, so we can  
Both watch X-Files

Chorus

Yeah, I'm hung like planet Pluto hard to see with the  
naked eye

But if I crashed into Uranus I would stick it where the sun  
don't shine

Cause I'm kinda like Han Solo always struck in my own  
wookie

I'm the root of all that's evil, yeah, but you can call me  
cookie

### Chorus

2. Yo, yo, this hard-core ghetto gangster image takes a lot of  
practice

I'm not black like Barry White no I am white like Frank  
Black is

So if man is five and the devil is six than that must make me  
seven

This honkey's gone to heaven

But if I <sup>G</sup>go to hell then I <sup>Em</sup>hope I burn well

I'll spend my <sup>G</sup>days with J.F.K., Marvin Gaye, Martha <sup>Em</sup>Raye,  
and Lawrence Welk

And Kurt <sup>G</sup>Cobain, Kojak, Mark Twain and Jimi <sup>Em</sup>Hendrix's  
poltergeist

And <sup>D</sup>Webster yeah Emmanuel Lewis cause he's the <sup>C</sup>

## 1 *Bed of Roses*

1.  $B^b$   
I'm sitting here wasted and wounded  
 $F$   
At this old piano  
 $B^b$   
Trying hard to capture the moment  
 $F$   
This morning I don't know
- $Am$   $B^b$   
'Cause a bottle of vodka's still lodged in my head  
 $F$   
And some blond gave me nightmares  
 $B^b$   
I think she's still in my bed  
 $B^b$   $C$   
As I dream about movies they won't make of me when I'm  
 $F$   
dead
2. With an ironclad fist  
  
I wake up, and French kiss the morning  
  
While some marching band keeps its own beat  
  
In my head while we're talking

About all of the things, that I long to believe

About love, the truth, what you mean to me

And the truth is

$B^b$   
Baby, you're all that I need  $C$   $C/E$

I wanna lay  $Dm$

You down in a bed of roses  $C$   $B^b$   $F$

For tonight  $Dm$

I sleep on a bed of nails  $C$   $B^b$   $F$

Oh, I want to be  $B^b$

Just as close as  $F$

The Holy Ghost is  $B^b$   $F$

And lay you down  $Dm$   $C$   $B^b$

On a bed of roses  $F$

3. Well I'm so far away

Each step that I take is on my way home

A king's ransom in dimes

Given each night to see through this payphone

Still I run out of time

Or it's hard to get through

Till the bird on the wire

Flies me back to you

I'll just close my eyes, whisper

Baby, blind love is true

### Chorus - C

Well this  $B^b$  hotel bar hangover

$C$  Whiskey's gone dry

The  $F$  barkeeper's wig's crooked

And she's giving me the eye

$B^b$  I might have said yeah

But I laughed so hard I  $C$  think I  $F$  died, uh  $C/E$  yeah!...

### Solo Chorus

4. Now as you close your eyes

Know I'll be thinking about you

While my mistress she calls me

To stand in her spotlight again

Tonight, I won't be alone

But you know that don't mean I'm not lonely

I've got *Dm* nothing to *C* prove for it's *Bb* you

That I'd die to defend *F* *C*

Chorus x2

Intro: D — G/D

1. You want <sup>D</sup>commitment take a <sup>G</sup>look into these eyes  
 They burn with <sup>D</sup>fire, until the end of time  
 I would do <sup>Bm</sup>anything; I'd beg, I'd steal, I'd <sup>G</sup>die  
 To have you in <sup>A</sup>these arms <sup>D</sup>tonight

2. Baby I want you like the roses want the rain  
 You know I need you like a poet needs the pain  
 I would give anything; my blood my love my life.  
 If you were in these arms tonight

<sup>D</sup>I'd hold you, <sup>A</sup>I'd need you  
<sup>Bm</sup>I'd get down on my knees for you  
<sup>D</sup>And make <sup>Bm</sup>everything <sup>A</sup>alright  
 If you were in <sup>G</sup>these <sup>A</sup>arms  
<sup>D</sup>I'd love you, <sup>A</sup>I'd please you  
<sup>Bm</sup>I'd tell you that I'd <sup>G</sup>never leave you  
<sup>D</sup>And love you till the end of time  
 If you were in <sup>G</sup>these <sup>A</sup>arms <sup>D</sup>tonight

3. We stared at the sun and we made a promise

A promise this world would never blind us

These are my words <sup>*Bm*</sup>

Our words were our songs <sup>*G*</sup>

Our songs are our prayers <sup>*Bm*</sup>

These prayers keep me strong

And I still believe <sup>*G*</sup>

If you were in <sup>*A*</sup> these arms

### Chorus

Your clothes are still scattered all over our room <sup>*A*</sup>

This whole place still smells like your cheap perfume <sup>*G*</sup>

Everything here reminds me of you <sup>*A*</sup>

There's nothing that I wouldn't do

Solo: D A Bm G — D A G

 Forgive me, forgive your wayward son

(Everybody needs somebody to love)

Mother mother (everybody needs somebody to hate)

Please believe me

And it's hard to hold on when there's no one to lean on

$G$  Faith!

You  $B^b$  know you're gonna live thru the  $F$  rain

$C$  Lord you got to keep the  $G$  faith

Faith!

$B^b$  Don't let your love turn to  $F$  hate

$C$  Right now we got to keep the  $G$  faith

$G$  Keep the faith, keep the faith Lord we got to keep the faith

2. Tell me baby when I hurt you

Do you keep it all inside

Do you tell me all's forgiven

And just hide behind your pride

(Everybody needs somebody to love)

Mother mother (Everybody needs somebody to hate)

Please believe me

(Everybody's bleeding 'cause the times are tough)

And it's hard to be strong when there's no one to dream on

Chorus

Walking in the footsteps of society's lies

I don't like what I see no more

Sometimes I wish that I was blind

Sometimes I wait forever to stand out in the rain

So no one sees me cryin' trying to wash away the pain

3. Mother father, there's things I've done I can't erase

And every night we fall from grace

It's hard with the world in your face

Trying to hold on, trying to hold on.

*Hallelujah*

Capo Vth fret

1.     <sup>C</sup> I heard there was a <sup>Am</sup> secret chord  
           <sup>C</sup> That David played and it <sup>Am</sup> pleased the Lord  
           <sup>F</sup> But you don't really <sup>G</sup> care for music, <sup>C</sup> do you? <sup>G</sup>  
           <sup>C</sup> And it goes like this: the <sup>F</sup> fourth, the <sup>G</sup> fifth  
           <sup>Am</sup> The minor fall and the <sup>F</sup> major lift <sup>G</sup>  
           <sup>G</sup> The baffled king composing <sup>Em</sup> Hallelujah <sup>Am</sup>
- 
- <sup>F</sup> Hallelujah, <sup>Am</sup> Hallelujah, <sup>F</sup> Hallelujah, <sup>C</sup> Hallelu- <sup>G</sup> jah - <sup>C</sup> <sup>G</sup>
2.     Well your faith was strong but you needed proof  
        You saw her bathing on the roof  
        Her beauty and the moonlight overthrew ya  
        She tied you to her kitchen chair  
        She broke your throne and she cut your hair  
        And from your lips she drew the Hallelujah

3. Well, maybe I've been here before  
I've seen this room and I've walked this floor  
I used to live with Leonard before I knew ya  
I've seen your flag on the marble arch  
But love is not a victory march  
It's a cold and it's a broken Hallelujah
4. There was a time when you let me know  
What's really going on below  
But now you never show that to me do ya  
But remember when I moved in you  
And the holy dove was moving too  
And every breath you drew was Hallelujah
5. And maybe there's a God above  
But all I've ever learned from love  
Was how to shoot somebody who outdrew ya  
Well it's not a cry that you hear at night  
It's not somebody who's seen the light  
It's a cold and it's a broken Hallelujah

## 1 *Still Alive*

*D Bm D Bm*

1. This was a triumph. *D Bm D*

I'm making a note *Bm D* here:

*Bm Dm Bm*  
HUGE SUCCESS.

It's hard to over-state my satis-faction. *Em A7 D Bm*

Aperture Science. *D Bm*

*D Bm D Bm D Bm*  
We do what we must because we can.

*Em A7*  
For the good of all of us

*Bb*  
Except the ones who are dead.

But there's no sense crying over every mis-take. *F C Bb F*

You just keep on trying till you run out of cake. *F C Bb F*

And the science gets done and you make a neat gun. *Gm C F Dm*

*Bb A7*  
For the people who are still alive.

2. I'm not even angry.

I'm being so sincere right now.

Even though you broke my heart and killed me.

And tore me to pieces.

And threw every piece into a fire.

As they burned it hurt because

I was so happy for you!

Now these points of data make a beautiful line.

And we're out of beta, we're releasing on time.

So I'm GLaD I got burned.

Think of all the things we learned

For the people who are still alive.

3. Go ahead and leave me.

I think I prefer to stay inside.

Maybe you'll find someone else to help you.

Maybe Black Mesa...

THAT WAS A JOKE. Haha. FAT CHANCE.

Anyway, this cake is great.

It's so delicious and moist.

Look at me still talking when there's science to do.

When I look out there it makes me GLaD I'm not you.

I've experiments to run there is research to be done

On the people who are still alive

And believe me I am still alive.

I'm doing science and I'm still alive.

I feel FANTASTIC and I'm still alive.

While you're dying I'll be still alive.

And when you're dead I will be still alive.

Still alive

Still alive

1. Well here we are again

Remember when you tried to kill me twice?

Except I wasn't laughing

2. She was a lot like you

Maybe not quite as heavy

Now little Caroline is in here too

One day they woke me up

So I could live forever

It's such a shame the same will never happen to you

You've got your short sad life left

That's what I'm counting on

I'll let you get right to it

Now I only want you gone

3. Goodbye my only friend

Oh, did you think I meant you?

That would be funny if it weren't so sad

Well you have been replaced

I don't need anyone now

When I delete you maybe I'll stop feeling so bad

Go make some new disaster

That's what I'm counting on

You're someone else's problem

Another head hangs lowly

And the violence caused such silence  
*G* *D*  
Who are we mistaken

But you *Em* see, it's not me  
It's not *C* my family  
In your *G* head, in your head  
They are *D* fighting

With their *Em* tanks and their bombs  
And their *C* bombs and their guns  
In your *G* head, in your head  
They are *D* crying

In your *Em* head, in your *C* head  
Zombie, *G* zombie, *D* zombie  
What's in your *Em* head, in your *C* head  
Zombie, *G* zombie, *D* zombie

2. Another mother's breaking

Heart is taking over

When the violence causes silence

We must be mistaken

It's the same old theme

Since 1916

In your head, in your head

They're still fighting

With their tanks and their bombs

And their bombs and their guns

In your head, in your head

They're dying

In your head, in your head

Zombie, zombie, zombie

What's in your head, in your head

**1** *Frozen - Let it Go*

1.      The snow glows white on the mountain tonight  
Not a footprint to be seen  
A kingdom of isolation  
And it looks like I'm the queen  
The wind is howling like this swirling storm  
in-side  
Couldn't keep it in, heaven knows I've tried  
  
Don't let them in, don't let them see  
Be the good girl you always have to be  
Conceal, don't feel, don't let them know  
Well, now they know

Let it *G* go, let it *Dsus4/F#* go

Can't *Em7* hold it back any-more *C9*

Let it *G* go, let it *Dsus4/F#* go

Turn a-way *Em7* and slam the *C9* door

*G* I don't care *Dsus4/F#* what they're going to say *Em7* *C9*

Let the *Bm7* storm rage on *Bb*

*Em* It's funny how some *C* distance

And the *Em* fears that once *D* con-trolled me

To test the limits and break through

No right, no wrong, no rules for me

Let it go, let it go

And it sees me through

Just to be with you

And can you feel the love tonight?

It is where we are

It's enough for this wide-eyed wanderer

*Am* *G* *C* *D*  
That we got this far

And can you feel the love tonight?

How it's laid to rest?

It's enough to make kings and vagabonds

If they only learn

That the twisting kaleidoscope

Moves us all in turn

There's a rhyme and reason

To the wild outdoors

When the heart of this star-crossed voyager

Beats in time with yours

1. Sag mal kann<sup>F#m</sup> ich dir was anvertrau'n

-Ich bitte drumm schieß los

ich hab's Gefühl mir werden durchschnittliche Aufgaben zu

groß

-wie meinst'n das?<sup>B/D#</sup>

na mir fällt's schwer den Alltag gut zu meistern

und mich für die Herausforderung des Lebens zu begeistern.<sup>D</sup>

Es gibt richtig viel zu tun bei mir<sup>F#m</sup>

zu Haus sieht's aus wie sau

auf meinem Schreibtisch stapelt sich der scheiß<sup>E</sup>

und in die Spüle schau ich schon garnicht mehr hinein<sup>B/D#</sup>

weil drinnen das Geschirr verkrustet

Nichts krieg ich gebacken<sup>D</sup>

ich bin echt total gefrustet

-na gut<sup>Bm</sup> da hillft nur eines:

Ärmel hochkrempeln und rann.

Tja das sollte ich doch es gibt ja einen Grund das ich's nicht<sup>E</sup>  
kann

ich hab kein <sup>A</sup>Bock

ich hab grad <sup>E</sup>überhaupt kein Bock

hab zwar nichts <sup>D</sup>besseres zu tun

aber den <sup>Dm</sup>Drang mich aus zu ruhn

es ist ganz <sup>A</sup>seltsam

fast wie so ne <sup>C#7</sup>Art mentaler Block

ich hab <sup>D</sup>überhaupt <sup>Dm</sup>kein <sup>A</sup>Bock

nein du hast sogar nen Amboss,

die Voraussetzungen sind da

dir so richtig was zu schmieden

Glück etwar

ich weiß es ja

$F^\#m$   
aber trotzdem komm ich einfach nicht so richtig aus den

Puschen

$E$   
- jemand muss dich etwas pushen

muss dir sagen "hey nicht Kuschen"

$B/D^\#$   
vor den Aufgaben des Tages

jemand muss dich motivieren

dich herausholen aus der Trägheit

und dich schlicht mobilisieren.

ich hab halt so'n geiles Sofa.

und ich würde dich dabei auch wirklich gerne unterstützen

doch ich hab kein <sup>A</sup>Bock

ich hab echt <sup>E</sup>überhaupt kein Bock

ich hab zwar <sup>D</sup>Energie wie nie,

mich stoppt bloß <sup>Dm</sup>meine Lethargie

du bist mein <sup>A</sup>Freund ich würd gern helfen

aber <sup>C#7</sup>heut ist das nicht drinn,

und was ich daran so Pervers find,

ist das die Gesellschaft unseren Bockmangel nicht ernst

nimmt

bei Depression hat mittlerweile jeder längst kapiert:

$D$   
das ist ne Krankheit,

aber ohne Bock wirst du stigmatisiert

$F^\#m$

denn wen jemand zuviel frisst

$E$   
Zahl'n die doch auch so'n Band im Magen

damit er nicht so hungrig ist.

Irgend sowas bräucht ich auch

künstlicher Bock aus PVC,

der mir behutsam eingesetzt wird

I feel so lonely, I'm waiting for you  
But nothing ever happens and I wonder

*G* *D*  
I wonder how, I wonder why  
*Em* *Bm*  
Yesterday you told me 'bout the blue blue sky  
*C* *D*  
And all that I can see  
*G* *D*  
Is just a yellow lemon-tree

I'm turning my head up and down

I'm turning turning turning turning turning around

And all that I can see

Is just another lemon-tree

I'd like to go out taking a shower

But there's a heavy cloud inside my head

I feel so tired, put myself into bed

Well, nothing ever happens and I wonder

## 1 *Somebody That I Used to Know*

### 1. *Dm C Dm C*

Now and then I think of when we were together  
Like when you said you felt so happy you could die  
Told myself that you were right for me  
But felt so lonely in your company  
But that was love and it's an ache I still remember

### 2. You can get addicted to a certain kind of sadness

Like resignation to the end, always the end  
So when we found that we could not make sense  
Well you said that we would still be friends  
But I'll admit that I was glad that it was over

*Dm* But you *C* didn't have to *B<sup>b</sup>* cut me *C* off

Make out like it never happened and that we were nothing

And I don't even need your love

But you treat me like a stranger and that feels so rough

No you didn't have to stoop so low

Have your friends collect your records and then change your  
number

I guess that I don't need that though

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now you're just somebody that I used to know

3. Now and then I think of all the times you screwed me over  
But had me believing it was always something that I'd done  
And I don't wanna live that way  
Reading into every word you say  
You said that you could let it go  
And I wouldn't catch you hung up on somebody that you  
used to know

Chorus

Somebody, I used to know

(Somebody) Now you're just somebody that I used to know

Somebody, I used to know

(Somebody) Now you're just somebody that I used to know

I used to know, that I used to know, I used to know

somebody

## 1 *Finite Simple Group of Order Two*

1.  $G$  The path of love is never smooth  $D$   $C$   
 $Em$  But mine's con-tinuous for you  $D$   $C9$   
You're the  $G$  upper bound on the chains of my heart  $D$   $C$   
You're my  $Em$  Axiom of Choice, you know it's true  $D$   $C9$   
  
 $Am$   $G$   $D$   $Em$   
But lately our re-lation's not so well-defined  
 $C9$   $G/B$   $Dsus4$   $D$   
And I just can't function without you  
 $C9$   $G/B$   $D$   $Em$   
I'll prove my propo-sition and I'm sure you'll find  
 $C9$   $G/B$   $Dsus4$   $D$   
We're a finite simple group of order two

2. I'm losing my identity  
  
I'm getting tensor every day  
  
And without loss of generality  
  
I will assume that you feel the same way  
  
  
Since every time I see you, you just quotient out  
  
The faithful image that I map into  
  
But when we're one-to-one you'll see what I'm about  
  
'Cause we're a finite simple group of order two

Our equivalence was stable,  
A principal love bundle sitting deep inside  
But then you drove a wedge between our two-forms  
Now everything is so complexified

3. When we first met, we simply connected

My heart was open but too dense  
Our system was already directed  
To have a finite limit, in some sense

I'm living in the kernel of a rank-one map  
From my domain, its image looks so blue,  
'Cause all I see are zeroes, it's a cruel trap  
But we're a finite simple group of order two

I'm not the smoothest operator in my class,  
But we're a mirror pair, me and you,  
So let's apply forgetful functors to the past  
And be a finite simple group, be a finite simple group,  
Let's be a finite simple group of order two

I've proved my proposition now, as you can see,

So let's both be associative and free

And by corollary, this shows you and I to be

Purely in-separable.  $\overset{C}{Q}$ .  $\overset{D}{E}$ .  $\overset{G}{D}$ .

## 1 *Breaking The Habit*

The image displays a musical score for the song "The Wind" by The Beatles. It includes a guitar part at the top and a bass part at the bottom, both with tablature. The guitar part is written in 4/4 time and features a key signature of one sharp (F#). The tablature shows various fret numbers (0, 1, 2, 3, 4, 5) and includes a triple repeat (3x) section. The bass part also uses tablature and includes a double bar line. The score is presented in a clean, black-and-white format with a clear layout for both instruments.

1.  $Em$  Memories consume

Unless I try to start again

'Cause inside I realize

That I'm the one confused

*Em* I don't know what's worth *C* fighting for

Or why *Em/B* I have to scream

*Em* I don't know why I instigate *C*

And say *Em/B* what I don't mean

*Em* I don't know how I got this way *C*

*Em/B* I know it's not alright

So I'm *C* breaking the *D9* habit

I'm *C* breaking the *D9* habit tonight

2. *Em* *D* Clutching my *Em* cure

*D/F#* I tightly lock the door

*Em* *D* I try to catch my *Em* breath again *D/F#*

I hurt much more

Than anytime before

I had no options left again

I don't want to be the one

The battles always choose

'Cause inside I realize

*Em* I'll paint it on the *D/F#* walls

*G* 'Cause I'm the one at *Am* fault

*Em* I'll never fight *D/F#* again

2. Can't you see that you're smothering me

Holding too tightly afraid to lose control

Cause everything that you thought I would be

Has fallen apart right in front of you

Oba, ob-serving the hypocrites
- C G Am F  
As they would mingle with the good people we meet

Good friends we have had, oh good friends we've lost

Along the way

In this bright future, you can't forget your past

So dry your tears I say

### Chorus

2. Said I remember when we used to sit

In the government yard in Trenchtown

And then Georgie would make the fire light

Log wood burnin' through the night

Then we would cook corn meal porridge

Of which I'll share with you

My feet is my only carriage

So I've got to push on through

### Chorus

But while I'm gone

*C* Everything's gonna *G* be alright

*Am* Everything's gonna *F* *G* be alright

2. Emancipate yourselves from mental slavery  
None but ourselves can free our minds  
Have no fear for atomic energy  
'Cause none of them can stop the time

How long shall they kill our prophets

While we stand aside and look?

Yes, some say it's just a part of it

We've got to fulfill the book

## 1 *The Good Book*

$B^b$   
Life is like an ocean voyage and our  $F$  bodies are the ships

And with-out  $C$  a moral compass we would all be cast  $A$

$Dm$   $Dm/C$   
a-drift

$B^b$   
So to keep us on our bearings, the  $F$  Lord gave us a gift

$C7$   
And like most gifts you get, it was a  $C$  book

1.  $F$   
I only read one book, but it's a  $B^b$  good book, don't you know

$C7$   
I act the way I act because the Good Book tells me so  $F$

$F$   
If I wanna known how to  $F/E^b$  be good, it's to  $B^b/D$  the Good

$B^bm/D^b$   
Book that I go

$C7$   
'Cos the Good Book is a book and it is good and it's a  $F$  book

2. I know the Good Book's good because the Good Book says  
it's good

I know the Good Book knows it's good because a really good  
book would

You wouldn't cook without a cookbook and I think it's  
understood

You can't be good without a Good Book 'cos it's good and  
it's a book

And it is good for cookin'

*Dm*  
I tried to read some other books, but I soon gave up on that  
*Bb*  
The paragraphs ain't numbered and they *F*complicate the  
*C*  
facts

*A*  
I can't read Harry Potter 'cos they're *Dm*worshipping false gods  
and that

*G*  
And Dumbledore's a poofter and that's *C*bad, 'cos it's not  
good

3. Morality is written there in simple white and black

I feel sorry for you heathens, got to think about all that

Good is good and evil's bad and goats are good and pigs are  
crap

You'll find which one is which in the Good Book, 'cos it's  
good

And it's a book, and it's a book

I had a cat, she gave birth to a litter

The kittens were adorable and they made my family laugh

But as they grew they started misbehavin'

So I drowned the little fuckers in the bath

When the creatures in your care start being menaces

The answers can be found right there in Genesis!

Chapter <sup>D</sup>6, Verse 5-7! Yee-haw!

<sup>G</sup>Swing your partner by the hand, <sup>C</sup>have a baby if you can

But if <sup>D</sup>the voices in your head say to sacrifice your kid

<sup>G</sup>To satiate your loving God's <sup>C</sup>fetish for dead baby blood

<sup>D</sup>It's simple faith, the Book demands, so raise that knife up in  
your hand!

4. Before the Good Book made us good, there was no good way  
to know

If a thing was good or not that good or kind of touch and go

So God decided he'd give writing allegoric prose a go

And so he wrote a book and it was generally well-received

The *B<sup>b</sup>* Telegraph said, "This God is remi-*F*niscent of the *C* Norse."

The *B<sup>b</sup>* Times said, "Kind of turgid, but I liked the bit with  
*C* horses."

The *A* Mail said, "Lots of massacres, a *Dm* violent tour de force.

If you *G* only read one book this year, then this one is a book *C*

And it is *D* good, and it's a book!"

Swing your daughter by the hand, but if she gets raped by a  
man

And refuses then to marry him, stone her to death!

*Em* If you just close your eyes and block your *B* ears

To the *C* ac-cumulated knowledge of the last two thousand  
*D* years

*B* Then morally, guess what? You're off the *Em* hook

And thank *A* Christ you only have to read one *D* book

*Dm* Just because the book's contents were *A* written generations

hence

*Dm* By hairy desert-dwelling gents *A* squatting in their dusty tents

*Em* Just because what Heaven said was *B* said before they'd

leavened bread

*Em* Just 'cos Jesus couldn't read *B* doesn't mean that we should

need

*C* When ma-nipulating human genes to *G* al-leviate pain and

fight disease

*C* When de-ciding whether it's wrong or right to *G* help the dyin'

let go of life

*D* Or stop a pregnancy when it's just a tiny blastocyst

*B* There's no reason why we should take a *Em* look

*D* At any other *C* book but the *G/B* Good Book

'Cause it's *A* good and it's a book

*D* And it's a book and it's quite good!

*G* Good is good and evil's *G/F* bad

*C/E* And kids get killed when *Cm/E* God gets mad

*D* You'd better take a good look at the *G* Good Book *D G*

3. You never seem to menstruate at all  
 So you're not angry when I'm late at all  
 I feel permanently felatable  
 Unpoppable, inflatable you. <sup>E<sup>b</sup>6</sup>

With you in my arms I feel we could just fly a-way

With the right kind of gas I might even try it some

day

In this ocean of life I'm never afraid we might drown

We could just float forever what-ever the weather

When-ever my in-flatable lover's a-round.

4. Your thighs and buttocks are so holdable

You always do what you are toldable

And if we argue you just foldable

Controllable consolable you.

5. My mates all reckon you are suitable

I took you 'round to watch the foodtable

And Steve and Gary said you're rootable

Commutable, refutable you.

6. You're never sensitive or tickley

When I rub you my skin goes prickerly

It's know an static electricity

Felicity when I'm kissing you.

Your skin is so smooth, I couldn't afford you with hair  
You have all the holes real girls have got plus one for the air  
Your problems are simple, I don't need my Masters in Psych  
To know if you get down I just perk you right up  
With a couple of squirts from the pump off my bike.

7. You never wake up when I snore at all

A trait which I find quite adorable  
You have a box and you are storable  
Ignorable, back-doorable you.

8. Any sexual position's feasible

Although you don't bend at the knees at all  
Your hooters are so firm and squeezable  
Increasable, un-creasable you.

9. You don't complain about my hairy back

Or 'bout the inches that downstairs I lack  
You're not disgusted by my furry crack  
Burt Bacharach, Jack Kerouac ooo.

10. Now birth control is not an issue

I clean it all up with a tissue

I bet my jealous friend all wish you

Were insatiably inflatably theirs.

Don't let me down.

Don't let me down.

Don't let me down.

And I won't let you down.

It's a hundred thousand light years side-to-side

It bulges in the middle, sixteen thousand light years thick

But out by us its just three thousand light years wide

We're thirty thousand light years from galactic central point

We go round every two hundred million years

And our galaxy is only one of millions of billions

In this amazing and expanding universe

3. The universe itself keeps on expanding and expanding

In all of the directions it can whiz

As fast as it can go, the speed of light you know

Twelve million miles a minute and that's the fastest speed  
there is

So remember when you're feeling very small and insecure

How amazingly unlikely is your birth

And pray that there's intelligent life somewhere up in space

Cause there's bugger-all down here on Earth

How the hell am I supposed to

Something that I can control

## Drop D

1. Let me go, let me go

Let me seek the answer that I need to know

Let me find a way, let me walk away

Through the Undertow

Please let me go

2. Let me fly, let me fly

Let me rise against that blood-red velvet sky

Let me chase it all, break my wings and fall

Probably survive

So let me fly

Let me fly

3. Let me run, let me run

Let me ride the crest of chance into the sun

You were always there, but you may lose me here

Now love me if you dare

And let me run

Let me lose my *G* way! Let me walk a-stray! *E<sup>b</sup>*

Just let me *E<sup>b</sup>* bleed!

5. Let me drain! Let me die!

Let me break the things I love I need to cry!

Let me die

Let me out

Let me fade into that pitch-black velvet night

## 1 *A Complete History of the Soviet Union, Arranged to the Melody of Tetris*

*Dm* To Moscow I came seeking *A* fortune

But they're *E°* making me work til I'm *Dm* dead

The *Dm* bourgeoisie have it so *A* easy

The *E°* Tsar's putting gold on his *A7* bread

The *Gm* people of Moscow are *F* hungry

But think *Em7b5* what a feast there could be *A7*

If we *Gm* could create a *F* socialist state

That *Em7b5* cared for the people like *A7* me:

1. *A7* I am the man who *Dm* arranges the blocks

That *A7* descend upon me from *Dm* up above.

*Gm* They come down and I *F* spin them around

Til they fit *A7* in the ground like *Dm* hand in glove.

Sometimes it seems that to move blocks is fine

And the lines will be formed as they fall -

Then I see that I have misjudged it!

I should not have nudged it after all.

*Dm* *A7* *Dm* *A7*  
Can I have a long one please?

*Dm* *A7* *Dm* *A7*  
Why must these infernal blocks tease?

2. I am the man who arranges the blocks

That continue to fall from up above.

Come Muscovite! Let the workers unite!

A collective regime of peace and love.

I work so hard in arranging the blocks

But the landlord and taxman bleed me dry

But the workers will rise! We will not compromise

For we know that the old regime must die.

Long live Lenin, kill the tsar!

We salute the sickle and star!

3. I am the man who arranges the blocks

That continue to fall from up above.

The food on your plate now belongs to the state

A collective regime of peace and love.

I have no choice in arranging the blocks  
Under Bolshevik rule, what they say goes.  
The rule of the game is we all are the same  
And my blocks must create unbroken rows.

Long live Stalin! He loves you!

Sing these words, or you know what he'll do...

4. I am the man who arranges the blocks

That are made by the men in Kazakhstan.

They come two weeks late and they don't tessellate

But we're working to Stalin's five year plan.

I am the man who arranges the tanks

That will make all the Nazis keep away

The Fuhrer is dead, and Europe is Red!

Let us point all our guns at the USA.

We shall live forever more!

We can start a nuclear war!

5. I am the man who arranges the blocks

That are building a highly secret base.

Hip hip hurrah for the USSR!

We are sending our men to outer space.

I work so hard in arranging the blocks

But each night I go home to my wife in tears -

What's the point of it all, when you're building a wall

And in front of your eyes it disappears?

Pointless work for pointless pay

This is one game I shall not play.

*A7* I am the man who arranges the blocks! *Dm*

6. But tomorrow I think I'll stay in bed.

The winter is cold, I've got plenty of gold

And I'm standing in line for a loaf of bread

Maybe we'd be better off

If we brought down Gorbachev

7. I am the man who arranges the blocks

That continue to fall from up above.

The markets are free! So much money for me!

Tell me, why should I care for peace and love?

The markets are free! So much money for me!

Tell me, why should I care for peace and love?

Peace and love, peace and love!

And now the  $D$  wall is down, the  $F^\#m$  Marxists frown

There's  $G$  foreign shops all over  $A$  town

When in  $D$  Red Square, well don't  $F^\#m$  despair

There's  $G$  Levi's and  $A$  McDonald's there

The  $Bm$  US gave us  $A$  crystal meth

And Yeltsin drank himself  $F^\#m$  to death

But now that  $D$  Putin's  $F^\#$  put  $Bm$  the  $G$  boot in,

$Em$  Who'll get in  $A$  our  $D$  way?

*D* *F#m*  
So we reject free enterprise

*G* *A*  
And once again the left will rise.

*D* *F#m*  
Prepare the flags to be unfurled

*G* *A*  
For we're seceding from the world:

*Bm* *A*  
We shall regain the Georgian soil

*G* *F#m*  
We shall obtain the Arctic oil

*D* *F#* *Bm* *G*  
We shall arrange the blocks and toil

*Em* *A* *D*  
Forever and a day.

## 1 *Time Flies*

Capo Vth fret

1. I was born in '67

The year of Sgt. Pepper

And are you experienced

Into a suburban heaven

Yeah it should've been forever

It all seems to make so much sense

But after a while

You realize time flies

And the best thing that you can do

Is take whatever comes to you

'Cause time flies

2. She said luck is what you make it  
You just reach out and take it  
Now let's dance a while  
She said nothing ever happens  
If you don't make it happen  
And if you can't laugh and smile

### Chorus

And laughing in the summer showers  
That's still the way I see you now

How does time break down  
With no marker, things slow down.  
A conference of the strange  
And your family is deranged

3. I could tell you what I'm thinking

While we sit here drinking

But I'm not sure where to start

You see there's something wrong here

I'm sorry if I'm not clear

Can you stop smoking your cigar

### Chorus

And the coat you wore to Alton Towers

Is still the way I see you now

The hissing subsides

When the evening reaches here

You're tying me up

I'm dying of love

White heat is screaming in the jungle  
Complete the motion if you stumble  
Go ask the dust for any answers  
Come back strong with 50 belly dancers

To be part of, the wave can't stop  
Come and tell me when it's time to

Use two sticks to make it in the nature

I'll get you into penetration

The gender of a generation

The birth of every other nation

Worth your weight the gold of meditation

Smoke rings I know you're going to blow one

All on a spaceship persevering

Use my hands for everything but steering

Eastside love is living on the westend

Knocked out but boy you better come to

Don't die you know the truth as some do

Go write your message on the pavement

Burn so bright I wonder what the wave meant

Kick start the golden generator

Sweet talk but don't intimidate her

Can't stop the Gods from engineering

Feel no need for any interfering

Your image in the dictionary

## 1 *Hero of war*

1. He said, “Son<sup>E</sup>  
Have you see the world?<sup>G#m</sup>  
Well, what would you say<sup>A</sup>  
If I said that you could?<sup>E</sup>  
Just carry this gun<sup>A</sup>  
And you’ll even get paid<sup>E</sup>”  
I said, “That sounds pretty good”<sup>B</sup>

2. Black leather boots  
Spit-shined so bright  
They cut off my hair  
But it looked alright  
We marched and we sang  
We all became friends  
As we learned how to fight

A hero of war  $C\#m$

Yeah that's what I'll be  $A$

And when I come home  $E$

They'll be damn proud of me  $B$

I'll carry this flag  $C\#m$

To the grave if I must  $A$

Because it's flag that I love  $E$

And a flag that I trust  $B$

3. I kicked in the door

I yelled my commands

The children, they cried

But I got my man

We took him away

A bag over his face

From his family and his friends

4. They took off his clothes

They pissed in his hands

I told them to stop

But then I joined in

We beat him with guns

And batons not just once

But again and again

5. She walked

Through bullets and haze

I asked her to stop

I begged her to stay

But she pressed on

So I lifted my gun

And I fired away

6. The shells

Jumped through the smoke  
And into the sand  
That the blood now had soaked  
She collapsed  
With a flag in her hand  
A flag white as snow

A hero of war  
Is that what they see  
Just medals and scars  
So damn proud of me  
And I brought home that flag  
Now it gathers dust  
But it's a flag that I love  
It's the only flag I trust

7. He said, "Son

Have you seen the world?  
Well what would you say  
If I said that you could?"

## 1 Mrs. Robinson

*D* And here's to you *G* Mrs. *Em* Robinson

*G* Jesus loves you *Em* more than you will *C* know, (wo wo *Am* wo)

*D* God bless you *G* please Mrs. *Em* Robinson

*G* Heaven holds a *Em* place for those who *C* pray, (hey hey *Am* hey)

1. *E7* We'd like to know a little bit about you for our files

*A* We'd like to help you learn to help yourself

*D* Look around you, *G* all you see are *C* sympathetic *Am* eyes

*E7* Stroll around the grounds until *D* you feel at home

2. Hide it in a hiding place where no one ever goes

Put it in your pantry with your cupcakes

It's a little secret just the Robinsons' affair

Most of all you've got to hide it from the kids

3. Sitting on a sofa on a Sunday afternoon

Going to the candidates debate

Laugh about it, shout about it, when you've got to choose

Any way you look at it you lose

Where have you gone Joe DiMaggio?

A nation turns its lonely eyes to you, (*wo wo wo*)

What's that you say Mrs. Robinson?

Joltin' Joe has left and gone away, (*hey hey hey, hey hey hey*)

$\text{Am}$  Are you going to  $\text{Em}$  Scarborough  $\text{Am}$  Fair  
 $\text{C}$  Parsley,  $\text{Am}$  sage,  $\text{C D}$  rosemary and  $\text{Am}$  thyme  
 $\text{C}$  Remember me to one who lives  $\text{G}$  there  
 $\text{Am}$  She once was a  $\text{G}$  true  $\text{Am}$  love of  $\text{Em}$   $\text{Am}$  mine

1. Tell her to make me a cambric shirt

*(On the side of a hill in the deep forest green)*

Parsley, sage, rosemary and thyme

*(Tracing of sparrow on snow crested brown)*

Without no seams nor needle work

*(Blankets and bedclothes the child of the mountain)*

Then she'll be a true love of mine

*(Sleeps unaware of the clarion call)*

2. Tell her to find me an acre of land

*(On the side of a hill a sprinkling of leaves)*

Parsley, sage, rosemary and thyme

*(Washes the grave with silvery tears)*

Between the salt water and the sea strands

*(A soldier cleans and polishes a gun)*

Then she'll be a true love of mine

3. Tell her to reap it with a sickle of leather

*(War bellows blazing in scarlet battalions)*

Parsley, sage, rosemary and thyme

*(Generals order their soldiers to kill)*

And gather it all in a bunch of heather

*(And to fight for a cause they've long ago forgotten)*

Then she'll be a true love of mine

4. Are you going to Scarborough Fair

Parsley, sage, rosemary and thyme

Remember me to one who lives there

She was once a true love of mine

1. *Am*  
Hello darkness, my old friend *G*  
*Am*  
I've come to talk with you again  
*C F C*  
Because a vision softly creeping  
*F C*  
Left its seeds while I was sleeping  
*F C*  
And the vision that was planted in my brain  
*Am*  
Still remains  
*C G Am*  
Within the sound of silence
2. In restless dreams I walked alone  
Narrow streets of cobblestone  
Neath the halo of a street lamp  
I turned my collar to the cold and damp  
When my eyes were stabbed by the flash of a neon light  
That split the night  
And touched the sound of silence

3. And in the naked light I saw  
Ten thousand people, maybe more  
People talking without speaking  
People hearing without listening  
People writing songs that voices never share  
And no one dared  
Disturb the sound of silence

4. “Fools” said I, “You don’t know  
Silence’s like a cancer grows  
Hear my words and I might teach you  
Take my arms and I might reach you”  
But my words like silence raindrops fell  
And echoed  
In the wells of silence

5. And the people bowed and prayed  
To the neon god they made  
And the sign flashed out its warning  
In the words that it was forming  
And the sign said, "The words of the prophets  
Are written on the subway walls, and tenement halls"  
And whispered in the sound of silence

## 1 Runaway Train

1. *C* Call you up in the middle of the night  
*Em* Like a firefly without a light  
*Am* You were there like a slow torch burning  
*G* I was a key that could use a little turning
- C* So tired that I couldn't even sleep  
*Em* So many secrets I couldn't keep  
*Am* Promised myself I wouldn't weep  
*G* One more promise I couldn't keep
- F* It seems no one can *G* help me now  
*C* I'm in too deep  
*Am* There's no way out  
*F* This time I have *Em* really *G* led myself astray
- C* Runaway train never going back  
*Em* Wrong way on a one way track  
*Am* Seems like I should be getting somewhere  
*G* Somehow I'm neither here nor there

2. *C* Can you help me remember how to smile  
*Em* Make it somehow all seem worthwhile  
*Am* How on earth did I get so jaded  
*G* Life's mystery seems so faded
- C* I can go where no one else can go  
*Em* I know what no one else knows  
*Am* Here I am just drownin' in the rain  
*G* With a ticket for a runaway train
- F* Everything is *G* cut and dry  
*C* Day and night  
*Am* Earth and sky  
*F* Somehow I *Em* just *G* don't believe it

3. *C* Bought a ticket for a runaway train  
*Em* Like a madman laughin' at the rain  
*Am* Little out of touch, little insane  
*G* Just easier than dealing with the pain

*C* Runaway train never comin' back

*Em* Runaway train tearin' up the track

*Am* Runaway train burnin' in my veins

*G* Runaway but it always seems the same

## 1 *Father and Son*

1. It's not time to make a change  
Just relax, take it easy  
You're still young, that's your fault  
There's so much you have to know

Find a girl, settle down

If you want, you can marry

Look at me, I am old

But I'm happy

2. I was once like you are now  
And I know that it's not easy  
To be calm when you've found  
Something going on

But take your time, think a lot

Think of everything you've got

For you will still be here tomorrow

But your  $D$  dreams may not  $G$

3. How can I try to explain?

When I do, he turns away again

And it's always been the same

Same old story

From the moment I could talk

I was ordered to listen

Now there's a way, and I know

That I <sup>*D*</sup>have to <sup>*G*</sup>go away

<sup>*D*</sup>I know, <sup>*C*</sup>I have to <sup>*G*</sup>go

4. It's not time to make a change

Just sit down

And take it slowly

You're still young, that's your fault

There's so much you have to go through

Find a girl, settle down

If you want, you can marry

Look at me, I am old

But I'm happy

5. All the times, that I've cried  
Keeping all the things I knew inside  
And it's hard  
But it's harder to ignore it

If they were right, I'd agree  
But it's them, they know, not me  
Now there's a way, and I know  
I have to go away  
I know I have to go

---

1. *Am* Now that I've lost everything to you *D7*  
*G* You say you wanna start something new *C* *F*  
*F* And it's breaking my heart you're leaving *Dm* *E*  
*E* Baby, I'm grievin'

But if you want to leave, take good care

Hope you have a lot of nice things to wear

But then a lot of nice things turn bad, out there *G7*

*C* *G* Oh baby, baby, it's a wild world *Am* *F*

*G* It's hard to get by, just upon a smile *F* *C*

*C* *G* Oh baby, baby, it's a wild world *Am* *F*

*G* I'll always remember you like a child, girl *F* *C* *D* *E*

2. You know I've seen a lot of what the world can do

And it's breaking my heart in two

Because I never want to see you sad, girl

Don't be a bad girl

But if you want to leave, take good care

Hope you make a lot of nice friends out there

But just remember there's a lot of bad, out there

## 1 *Kleid aus Rosen*

1. Ein gutes Mädchen lief einst fort,  
Verließ der Kindheit schönen Ort;  
Verließ die Eltern und sogar  
Den Mann, dem sie versprochen war.  
Vor einem Haus da blieb sie steh'n,  
Darinnen war ein Mann zu sehn  
Der Bilder stach in nackte Haut,  
Da rief das gute Mädchen laut:

Meister, Meister gib mir Rosen,  
Rosen auf mein weißes Kleid,  
Stech die Blumen in den bloßen  
Unberührten Mädchenleib

2. "Diese Rosen kosten Blut",  
So sprach der Meister sanft und gut,  
"Enden früh dein junges Leben,  
Will dir lieber keine geben."  
Doch das Mädchen war vernarrt,  
Hat auf Knien ausgeharrt  
Bis er nicht mehr widerstand  
Und die Nadeln nahm zur Hand.

#### Chorus

Und aus seinen tiefen Stichen  
Wuchsen Blätter, wuchsen Blüten,  
Wuchsen unbekannte Schmerzen  
In dem jungen Mädchenherzen  
Später hat man sie gesehen  
Einsam an den Wassern stehen  
Niemals hat man je erfahren  
welchen Preis der Meister nahm

#### Chorus

## 1 *Just the Two of us*

*Cj7 B7 Em7 Dm7 G7 Cj7 B7 Em7*

1. I see the crystal rain drops fall

And the beauty of it all

Is when the sun comes shining through

To make those rainbows in my mind

When I think of you sometime

And I want to spend some time with you

Just the two of us, we can make it if we try

Just the two of us, just the two of us

Just the two of us, building castles in the sky

Just the two of us, you and I

*Cj7 B7 B<sup>b</sup>j7 A7 A<sup>b</sup>j7 G7 Cj7 B7*

2. We look for love

No time for tears

Wasted water's all that is

And it don't make no flowers grow

Good things might come to those who wait

But not for those who wait too late

We've got to go for all we know

Chorus

3. I hear the crystal raindrops fall on the window down the hall

And it becomes the morning dew

And Darling, when the morning comes

And I see the morning sun

I want to be the one with you

Chorus
