3 Doors Down

1 Here Without You

Am F G

1. A hundred ^{*Am*} days have made me older
 Since the last ^{*G*} time that I saw your pretty face ^{*Am F G*}
 A thousand ^{*Am*} lies have made me colder
 And I don't think I can look at this the same ^{*Am F G*}
 ^{*Am*} All the miles that separate ^{*G*}
 ^{*Am*} Disappear now when I'm dreamin' of your face ^{*F*} ^{*G*}

^{*C*} I'm here without you baby ^{*G*}
But you're still on my lonely mind ^{*Am*}
I think about you baby
^{*F*} ^{*G*}
And I dream about you all the time
^{*C*} I'm here without you baby
^{*G*} But you're still with me in my dreams ^{*Am*}
^{*F*} ^{*G*}
And tonight, there's only you and me

Am G Am F G

2. ^{Am} The miles just keep rollin'
 ^G As the people leave their way to say hello ^{Am F G}
 ^{Am} I've heard this life is overrated
 ^G But I hope that it gets better as we go ^{Am F G}

Chorus

^{Am} Everything I know, ^C and anywhere I go
^G It gets hard but it won't ^F take away my love
^{Am} And when the last one falls, ^C when it's all said and
 ^G done
 ^F It gets hard but it won't ^F take away my love ^{C G Am F G}

Chorus

1. $\begin{array}{c} 4 \\ | \end{array} Bm \mid G6 \text{ Asus2} \mid$

I took a walk around the world to ease my troubled mind,

I left my body lyin somewhere in the sands of time.

I watched the world float to the dark side of the moon,

I feel there's nothin I can do, yeah.

2. I watched the world foat to the dark side of the moon.

After all I knew it had to be somethin to do with you.

I really don't mind what happens now and then,

as long as you'll be my friend at the end.

Bm If I go crazy then will $G6$ you still call me $Asus2$ superman.

If I'm alive and well will you be there a holdin my hand,

I'll keep you by my side with my super human might,

Kryptonite.

3. You call me strong, you call me weak, but still your secrets I
will keep,
you took for granted all the times I never let you down.
You stumble again and bump your head, if not for me then
you'd be dead.
I picked you up and put you back on solid ground.

Chorus

I took a walk around the world to ease my troubled mind,
I left my body lyin somewhere in the sands of time.
I watched the world float to the dark side of the moon,
I feel there's nothin I can do, yeah.

Am Dm G Am
Ah-uuh - uuh, ah-uhh uh uuh

1. *Am Dm* Freitagabend und ich war unterwegs,
G Am Auf der Suche nach Amusement und zügellosem Sex.
Am Dm In der Discothek war eine auf der Balz:
G Am 90-60-90 und Beine bis zum Hals.

Am Dm Keiner traute sich so richtig an sie ran.

G Am Ich sagte: "Baby, bist Du vielleicht auf der Suche nach 'nem
Mann?

Am Dm Die Suche ist zu Ende. Baby, ich bin hier,

E7 Und jetzt beeil Dich, unser Taxi steht schon draußen vor
der Tür."

Am G F Em Dm
Doch erst als sie bei mir zu Hause war,

Am G F E
Wurde mir das Ausmaß der Tragödie wirklich klar.

Am G F Em Dm
Sie kam aus meiner Dusche und ich sah -

2. Ich fuhr in die Disco zurück.

Beim zweiten Versuch hat man immer mehr Glück.

Da sah ich auf der Tanzfläche ein Teil.

Lange Haare, große Augen, die war genau mein Fall.

Es war ziemlich voll und dichtgedrängt,

Aber ich zeigte ihr trotzdem wo der Tanzhammer so hängt.

Ich flüsterte ihr Schweinereien ins Ohr,

Und sie schmolz dahin wie Schnee auf 'nem Ford-V8-Motor.

Da zog ich sie auf's Klo, was immer zieht.

Sie drehte total auf, ich wußte kaum wie mir geschieht.

Doch manchmal ist da mehr, als man erst sieht -

Reingefallen: Transvesti - it! Mädchen mit

Gli - - ied!

Aaah-uuuh...

3. Ich hatte wirklich alle Tricks probiert.

Ich war nicht mehr verzweifelt, ich hatte resigniert.

Da lächelte ein Engel mich an,

Und fragte, ob sie sich vielleicht zu mir setzen kann.

Am *Dm*
Ich sah sofort, ihr Busen, der war echt.

G *Am*
Sie sah aus, als lief sie Werbung für das schönere Geschlecht.

Am *Dm*
Da fragte sie mich: "Kommst Du mit zu mir?"

E7
"Ist der Papst katholisch?" und schon waren wir bei ihr.

Am *G* *F* *Em Dm*
Sie zog sich aus und fragte: "Hast Du Lust?"

Am *G* *F* *E*
Da wurde mir das Ausmaß ihrer Schönheit erst bewusst.

Am *G* *F* *Em Dm*
Ich schloss sie in die Arme, da war Schluss:

1. Mein Genital tut fruchtbar weh, immer dann, wenn ich pissé

Das kommt wohl vom Geschlechtsverkehr - ich schätze mal,

ich hab Tripper

Und das prangere ich an, das stelle ich zur Diskussion

Irgendwer ist schuld daran, dass ich nicht mehr pinkeln kann

Und das prangere ich an

2. Ich hab mich schrecklich aufgeregt, weil mir das Essen nicht

mehr schmeckt

D.h. ich bin total kaputt und mindestens hab ich Skorbut

Und das prangere ich an, das verurteile ich scharf

Es darf nicht sein, was leider ist - ich glaub, ich werde Fatalist

Und das prangere ich an

3. Meine Finger fallen aus, ich muss sofort ins Krankenhaus

Bevor mein Lebenslicht erlischt: die Lepra hat mich schwer

erwischt

Und das prangere ich an, das find ich wirklich unerhört

Ich bin entsetzt, ich bin empört, weil irgendjemand mich

zerstört

Und das prangere ich an

Und das prangere ich an, das find ich überhaupt nicht gut

Lepra, Tripper und Skorbut - ich bin dagegen, absolut

Und das prangere ich an

2. Father McKenzie

Writing the words of a sermon that no one will hear

No one comes near

Look at him working

Darning his socks in the night when there's nobody there

What does he care?

Chorus

Ah, look at all the lonely people!

Ah, look at all the lonely people!

3. Eleanor Rigby died in the church

And was buried along with her name

Nobody came

Father McKenzie wiping the dirt

From his hands as he walks from the grave

No one was saved

All the lonely people (Ah, look at all the lonely people!)

Where do they all come from?

All the lonely people (Ah, look at all the lonely people!)

Where do they all belong?

You're waiting for someone to perform with
And don't you know that it's just you, hey Jude, you'll do
The movement you need is on your shoulder

4. Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it better, better, better, better,

No one alerted you

Tomorrow will take us away

Far from home

No one will ever know our names

1. Mother mother tell your children

That their time has just begun

I have suffered for my anger

There are wars that can't be won

Father father please believe me

I am laying down my guns

I am broken like an arrow

Forgive me, forgive your wayward son

(Everybody needs somebody to love)

Mother mother (everybody needs somebody to hate)

Please believe me

(Everybody's bitching 'cause they can't get enough)

And it's hard to hold on when there's no one to lean on

G Faith!

C Lord you got to keep the G faith

Faith!

B^b Don't let your love turn to F hate

C Right now we got to keep the G faith

G Keep the faith, keep the faith Lord we got to keep the faith

2. Tell me baby when I hurt you

Do you keep it all inside

Do you tell me all's forgiven

And just hide behind your pride

(Everybody needs somebody to love)

Mother mother (Everybody needs somebody to hate)

Please believe me

(Everybody's bleeding 'cause the times are tough)

And it's hard to be strong when there's no one to dream on

Chorus

Walking in the footsteps of society's lies

I don't like what I see no more

Sometimes I wish that I was blind

Sometimes I wait forever to stand out in the rain

So no one sees me cryin' trying to wash away the pain

3. Mother father, there's things I've done I can't erase

And every night we fall from grace

It's hard with the world in your face

Trying to hold on, trying to hold on.

2. Well your faith was strong but you needed proof
 You saw her bathing on the roof
 Her beauty and the moonlight overthrew ya
 She tied you to her kitchen chair
 She broke your throne and she cut your hair
 And from your lips she drew the Hallelujah

3. Well, maybe I've been here before
I've seen this room and I've walked this floor
I used to live with Leonard before I knew ya
I've seen your flag on the marble arch
But love is not a victory march
It's a cold and it's a broken Hallelujah
4. There was a time when you let me know
What's really going on below
But now you never show that to me do ya
But remember when I moved in you
And the holy dove was moving too
And every breath you drew was Hallelujah
5. And maybe there's a God above
But all I've ever learned from love
Was how to shoot somebody who outdrew ya
Well it's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

I'd like to change my point of view
I feel so lonely, I'm waiting for you
But nothing ever happens and I wonder

I wonder how, I wonder why
Yesterday you told me 'bout the blue blue sky
And all that I can see

I'm turning my head up and down

I'm turning turning turning turning turning around

And all that I can see

Is just another lemon-tree

1. *Dm C Dm C*

Now and then I think of when we were together
Like when you said you felt so happy you could die
Told myself that you were right for me
But felt so lonely in your company
But that was love and it's an ache I still remember

2. You can get addicted to a certain kind of sadness

Like resignation to the end, always the end
So when we found that we could not make sense
Well you said that we would still be friends
But I'll admit that I was glad that it was over

Dm But you *C* didn't have to *B^b* cut me *C* off

Make out like it never happened and that we were nothing

And I don't even need your love

But you treat me like a stranger and that feels so rough

Have your friends collect your records and then change your
number

I guess that I don't need that though

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now you're just somebody that I used to know

3. Now and then I think of all the times you screwed me over
But had me believing it was always something that I'd done
And I don't wanna live that way
Reading into every word you say
You said that you could let it go
And I wouldn't catch you hung up on somebody that you
used to know

Chorus

1 *Finite Simple Group of Order Two*

1. G The path of love is never smooth D C
 Em But mine's con-tinuous for you D $C9$
You're the G upper bound on the chains of my heart D C
You're my Em Axiom of Choice, you know it's true D $C9$

 Am G D Em
But lately our re-lation's not so well-defined
 $C9$ G/B $Dsus4$ D
And I just can't function without you
 $C9$ G/B D Em
I'll prove my propo-sition and I'm sure you'll find
 $C9$ G/B $Dsus4$ D
We're a finite simple group of order two

2. I'm losing my identity

I'm getting tensor every day

And without loss of generality

I will assume that you feel the same way

Since every time I see you, you just quotient out

The faithful image that I map into

But when we're one-to-one you'll see what I'm about

'Cause we're a finite simple group of order two

Our equivalence was stable,
A principal love bundle sitting deep inside
But then you drove a wedge between our two-forms
Now everything is so complexified

3. When we first met, we simply connected

My heart was open but too dense
Our system was already directed
To have a finite limit, in some sense

I'm living in the kernel of a rank-one map
From my domain, its image looks so blue,
'Cause all I see are zeroes, it's a cruel trap
But we're a finite simple group of order two

I'm not the smoothest operator in my class,
But we're a mirror pair, me and you,
So let's apply forgetful functors to the past
And be a finite simple group, be a finite simple group,
Let's be a finite simple group of order two

I've proved my proposition now, as you can see,

So let's both be associative and free

And by corollary, this shows you and I to be

Purely in-separable. $\overset{C}{Q}$. $\overset{D}{E}$. $\overset{G}{D}$.

1 *The Good Book*

B^b
Life is like an ocean voyage and our F bodies are the ships

And with-out C a moral compass we would all be cast A

Dm Dm/C
a-drift

B^b
So to keep us on our bearings, the F Lord gave us a gift

$C7$
And like most gifts you get, it was a C book

1. F
I only read one book, but it's a B^b good book, don't you know

$C7$
I act the way I act because the Good Book tells me so F

F
If I wanna known how to F/E^b be good, it's to B^b/D the Good

B^bm/D^b
Book that I go

$C7$
'Cos the Good Book is a book and it is good and it's a F book

2. I know the Good Book's good because the Good Book says
it's good

I know the Good Book knows it's good because a really good
book would

You wouldn't cook without a cookbook and I think it's
understood

You can't be good without a Good Book 'cos it's good and
it's a book

And it is good for cookin'

Dm I tried to read some other books, but I soon gave up on that *A*
Bb The paragraphs ain't numbered and they *F* complicate the
C facts

A I can't read Harry Potter 'cos they're *Dm* worshipping false gods
and that

G And Dumbledore's a poofter and that's *C* bad, 'cos it's not
good

3. Morality is written there in simple white and black

I feel sorry for you heathens, got to think about all that

Good is good and evil's bad and goats are good and pigs are
crap

You'll find which one is which in the Good Book, 'cos it's
good

And it's a book, and it's a book

I had a cat, she gave birth to a litter

The kittens were adorable and they made my family laugh

But as they grew they started misbehavin'

So I drowned the little fuckers in the bath

When the creatures in your care start being menaces

The answers can be found right there in Genesis!

Chapter ^D6, Verse 5-7! Yee-haw!

^GSwing your partner by the hand, ^Chave a baby if you can

But if ^Dthe voices in your head say to sacrifice your kid

^GTo satiate your loving God's ^Cfetish for dead baby blood

^DIt's simple faith, the Book demands, so raise that knife up in
your hand!

4. Before the Good Book made us good, there was no good way
to know

If a thing was good or not that good or kind of touch and go

So God decided he'd give writing allegoric prose a go

And so he wrote a book and it was generally well-received

The *B^b* Telegraph said, "This God is remi-*F*niscent of the *C* Norse."

The *B^b* Times said, "Kind of turgid, but I liked the bit with
C horses."

The *A* Mail said, "Lots of massacres, a *Dm* violent tour de force.

If you *G* only read one book this year, then this one is a book *C*

And it is *D* good, and it's a book!"

Swing your daughter by the hand, but if she gets raped by a
man

And refuses then to marry him, stone her to death!

Em If you just close your eyes and block your *B* ears

To the *C* ac-cumulated knowledge of the last two thousand
D years

B Then morally, guess what? You're off the *Em* hook

And thank *A* Christ you only have to read one *D* book

Dm Just because the book's contents were *A* written generations

hence

Dm By hairy desert-dwelling gents *A* squatting in their dusty tents

Em Just because what Heaven said was *B* said before they'd

leavened bread

Em Just 'cos Jesus couldn't read *B* doesn't mean that we should

C When ma-nipulating human genes to *G* al-leviate pain and

C When de-ciding whether it's wrong or right to *G* help the dyin'

let go of life

D Or stop a pregnancy when it's just a tiny blastocyst

B There's no reason why we should take a *Em* look

D At any other *C* book but the *G/B* Good Book

'Cause it's *A* good and it's a book

D And it's a book and it's quite good!

Now let me die!

Let me die

Let me out

Let me fade into that pitch-black velvet night

1 *A Complete History of the Soviet Union, Arranged to the Melody of Tetris*

Dm To Moscow I came seeking *A* fortune

But they're *E°* making me work til I'm *Dm* dead

The *Dm* bourgeoisie have it so *A* easy

The *E°* Tsar's putting gold on his *A7* bread

The *Gm* people of Moscow are *F* hungry

But think *Em7b5* what a feast there could be *A7*

If we *Gm* could create a *F* socialist state

That *Em7b5* cared for the people like *A7* me:

1. *A7* I am the man who *Dm* arranges the blocks

That *A7* descend upon me from up *Dm* above.

Gm They come down and I *F* spin them around

Til they fit *A7* in the ground like *Dm* hand in glove.

Sometimes it seems that to move blocks is fine

And the lines will be formed as they fall -

Then I see that I have misjudged it!

I should not have nudged it after all.

Dm *A7* *Dm* *A7*
Can I have a long one please?

Dm *A7* *Dm* *A7*
Why must these infernal blocks tease?

2. I am the man who arranges the blocks

That continue to fall from up above.

Come Muscovite! Let the workers unite!

A collective regime of peace and love.

I work so hard in arranging the blocks

But the landlord and taxman bleed me dry

But the workers will rise! We will not compromise

For we know that the old regime must die.

Long live Lenin, kill the tsar!

We salute the sickle and star!

3. I am the man who arranges the blocks

That continue to fall from up above.

The food on your plate now belongs to the state

A collective regime of peace and love.

I have no choice in arranging the blocks
Under Bolshevik rule, what they say goes.
The rule of the game is we all are the same
And my blocks must create unbroken rows.

Long live Stalin! He loves you!

Sing these words, or you know what he'll do...

4. I am the man who arranges the blocks

That are made by the men in Kazakhstan.

They come two weeks late and they don't tessellate

But we're working to Stalin's five year plan.

I am the man who arranges the tanks

That will make all the Nazis keep away

The Fuhrer is dead, and Europe is Red!

Let us point all our guns at the USA.

We shall live forever more!

We can start a nuclear war!

5. I am the man who arranges the blocks

That are building a highly secret base.

Hip hip hurrah for the USSR!

We are sending our men to outer space.

I work so hard in arranging the blocks

But each night I go home to my wife in tears -

What's the point of it all, when you're building a wall

And in front of your eyes it disappears?

Pointless work for pointless pay

This is one game I shall not play.

A7 I am the man who arranges the blocks! *Dm*

6. But tomorrow I think I'll stay in bed.

The winter is cold, I've got plenty of gold

And I'm standing in line for a loaf of bread

Maybe we'd be better off

If we brought down Gorbachev

7. I am the man who arranges the blocks

That continue to fall from up above.

The markets are free! So much money for me!

Tell me, why should I care for peace and love?

The markets are free! So much money for me!

Tell me, why should I care for peace and love?

Peace and love, peace and love!

1. I was born in '67

The year of Sgt. Pepper

And are you experienced

Into a suburban heaven

Yeah it should've been forever

It all seems to make so much sense

But after a while

You realize time flies

And the best thing that you can do

Is take whatever comes to you

'Cause time flies

2. She said luck is what you make it
You just reach out and take it
Now let's dance a while
She said nothing ever happens
If you don't make it happen
And if you can't laugh and smile

Chorus

And laughing in the summer showers
That's still the way I see you now

How does time break down
With no marker, things slow down.
A conference of the strange
And your family is deranged

3. I could tell you what I'm thinking

While we sit here drinking

But I'm not sure where to start

You see there's something wrong here

I'm sorry if I'm not clear

Can you stop smoking your cigar

Chorus

And the coat you wore to Alton Towers

Is still the way I see you now

She collapsed

And I brought home that flag
Now it gathers dust
But it's a flag that I love
It's the only flag I trust

Neath the halo of a street lamp
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon light
That split the night
And touched the sound of silence

3. And in the naked light I saw
Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never share
And no one dared
Disturb the sound of silence

4. "Fools" said I, "You don't know
Silence's like a cancer grows
Hear my words and I might teach you
Take my arms and I might reach you"
But my words like silence raindrops fell
And echoed
In the wells of silence

5. And the people bowed and prayed
 To the neon god they made
 And the sign flashed out its warning
 In the words that it was forming
 And the sign said, "The words of the prophets
 Are written on the subway walls, and tenement halls"
 And whispered in the sound of silence

1 Runaway Train

1. *C* Call you up in the middle of the night
Em Like a firefly without a light
Am You were there like a slow torch burning
G I was a key that could use a little turning
- C* So tired that I couldn't even sleep
Em So many secrets I couldn't keep
Am Promised myself I wouldn't weep
G One more promise I couldn't keep
- F* It seems no one can *G* help me now
C I'm in too deep
Am There's no way out
F This time I have *Em* really *G* led myself astray
- C* Runaway train never going back
Em Wrong way on a one way track
Am Seems like I should be getting somewhere
G Somehow I'm neither here nor there

2. *C* Can you help me remember how to smile
Em Make it somehow all seem worthwhile
Am How on earth did I get so jaded
G Life's mystery seems so faded
- C* I can go where no one else can go
Em I know what no one else knows
Am Here I am just drownin' in the rain
G With a ticket for a runaway train
- F* *G*
Everything is cut and dry
C
Day and night
Am
Earth and sky
F *Em* *G*
Somehow I just don't believe it

3. *C* Bought a ticket for a runaway train
Em Like a madman laughin' at the rain
Am Little out of touch, little insane
G Just easier than dealing with the pain

C Runaway train never comin' back

Em Runaway train tearin' up the track

Am Runaway train burnin' in my veins

G Runaway but it always seems the same

My loneliness is killin' me (and I)

2. Oh baby, baby

The reason I breathe is you

Boy you've got me blinded

Oh pretty baby

There's nothing that I wouldn't do

It's not the way I planned it

Show me how you want it to be

Tell me baby, cuz I need to know now

That's because

3. Oh baby baby

How was I supposed to know

Oh pretty baby

I shouldn't have let you go

I must confess that my loneliness

Is killin' me now

Don't you know I still believe

That you will be here

To give me a sign

Hit me baby one more time

1 *Father and Son*

1. It's not time to make a change
Just relax, take it easy
You're still young, that's your fault
There's so much you have to know

Find a girl, settle down

If you want, you can marry

Look at me, I am old

But I'm happy

2. I was once like you are now
And I know that it's not easy
To be calm when you've found
Something going on

But take your time, think a lot

Think of everything you've got

For you will still be here tomorrow

But your D dreams may not G

3. How can I try to explain?

When I do, he turns away again

And it's always been the same

Same old story

From the moment I could talk

I was ordered to listen

Now there's a way, and I know

That I ^{*D*}have to ^{*G*}go away

^{*D*}I know, ^{*C*}I have to ^{*G*}go

4. It's not time to make a change

Just sit down

And take it slowly

You're still young, that's your fault

There's so much you have to go through

Find a girl, settle down

If you want, you can marry

Look at me, I am old

But I'm happy

5. All the times, that I've cried
Keeping all the things I knew inside
And it's hard
But it's harder to ignore it

If they were right, I'd agree
But it's them, they know, not me
Now there's a way, and I know
I have to go away
I know I have to go

1. *Am* Now that I've lost everything to you *D7*
G You say you wanna start something new *C* *F*
F And it's breaking my heart you're leaving *Dm* *E*
E Baby, I'm grievin'

But if you want to leave, take good care

Hope you have a lot of nice things to wear

But then a lot of nice things turn bad, out there *G7*

C *G* Oh baby, baby, it's a wild world *Am* *F*

G It's hard to get by, just upon a smile *F* *C*

C *G* Oh baby, baby, it's a wild world *Am* *F*

G I'll always remember you like a child, girl *F* *C* *D* *E*

2. You know I've seen a lot of what the world can do

And it's breaking my heart in two

Because I never want to see you sad, girl

Don't be a bad girl

But if you want to leave, take good care

Hope you make a lot of nice friends out there

But just remember there's a lot of bad, out there

1 *Kleid aus Rosen*

1. Ein gutes Mädchen lief einst fort,
Verließ der Kindheit schönen Ort;
Verließ die Eltern und sogar
Den Mann, dem sie versprochen war.
Vor einem Haus da blieb sie steh'n,
Darinnen war ein Mann zu sehn
Der Bilder stach in nackte Haut,
Da rief das gute Mädchen laut:

Meister, Meister gib mir Rosen,
Rosen auf mein weißes Kleid,
Stech die Blumen in den bloßen
Unberührten Mädchenleib

2. "Diese Rosen kosten Blut",
So sprach der Meister sanft und gut,
"Enden früh dein junges Leben,
Will dir lieber keine geben."
Doch das Mädchen war vernarrt,
Hat auf Knien ausgeharrt
Bis er nicht mehr widerstand
Und die Nadeln nahm zur Hand.

Chorus

Und aus seinen tiefen Stichen
Wuchsen Blätter, wuchsen Blüten,
Wuchsen unbekannte Schmerzen
In dem jungen Mädchenherzen
Später hat man sie gesehen
Einsam an den Wassern stehen
Niemals hat man je erfahren
welchen Preis der Meister nahm

Chorus

1 *Just the Two of us*

Cj7 B7 Em7 Dm7 G7 Cj7 B7 Em7

1. I see the crystal rain drops fall

And the beauty of it all

Is when the sun comes shining through

To make those rainbows in my mind

When I think of you sometime

And I want to spend some time with you

Just the two of us, we can make it if we try

Just the two of us, just the two of us

Just the two of us, building castles in the sky

Just the two of us, you and I

Cj7 B7 B^bj7 A7 A^bj7 G7 Cj7 B7

2. We look for love

No time for tears

Wasted water's all that is

And it don't make no flowers grow

Good things might come to those who wait

But not for those who wait too late

We've got to go for all we know

Chorus

3. I hear the crystal raindrops fall on the window down the hall

And it becomes the morning dew

And Darling, when the morning comes

And I see the morning sun

I want to be the one with you

Chorus
