3 Doors Down

1 Here Without You

Chorus

Am F G

1. A hundred ^{*Am*} days have made me older
Since the last ^{*G*} time that I saw your pretty
face ^{*Am F G*}
A thousand ^{*Am*} lies have made me colder
And I don't think I can look at this the same ^{*Am F G*}
^{*Am*} All the miles that separate ^{*G*}
^{*Am*} Disappear now when I'm dreamin' of your face ^{*F G*}

^{*C*} I'm here without you baby ^{*G*}
But you're still on my lonely mind ^{*Am*}
I think about you baby
^{*F*} And I dream about you all the time ^{*G*}
^{*C*} I'm here without you baby
^{*G*} But you're still with me in my dreams ^{*Am*}
^{*F*} And tonight, there's only you and me ^{*G*}

Am G Am F G

2. The miles just keep rollin' ^{*Am*}
As the people leave their way to say hello ^{*G Am F G*}
I've heard this life is overrated ^{*Am*}
But I hope that it gets better as we go ^{*G Am F G*}

Chorus

^{*Am*} Everything I know, ^{*C*} and anywhere I go
^{*G*} It gets hard but it won't take away my love ^{*F*}
^{*Am*} And when the last one falls, ^{*C*} when it's all said
and done ^{*G*}
It gets hard but it won't take away my ^{*F*}
love ^{*F C G Am F G*}

2 Kryptonite

1. $\frac{4}{4}$ | *Bm* | *G6* *Asus2* |

I took a walk around the world to ease my troubled
mind,
I left my body lyin somewhere in the sands of time.
I watched the world float to the dark side of the moon,
I feel there's nothin I can do, yeah.

2. I watched the world foat to the dark side of the moon.
After all I knew it had to be somethin to do with you.
I really don't mind what happens now and then,
as long as you'll be my friend at the end.

| *Bm* If I go crazy then will *G6* you still call me *Asus2* superman.
If I'm alive and well will you be there a holdin my hand,
I'll keep you by my side with my super human might,
Kryptonite.

3. You call me strong, you call me weak, but still your
secrets I will keep,
you took for granted all the times I never let you down.
You stumble again and bump your head, if not for me
then you'd be dead.
I picked you up and put you back on solid ground.

Chorus

I took a walk around the world to ease my troubled
mind,
I left my body lyin somewhere in the sands of time.
I watched the world float to the dark side of the moon,
I feel there's nothin I can do, yeah.

Chorus

Capo IIIrd fret

1. *Am* *E*
There's a fire starting in my heart
G *E*
Reaching a fever pitch and it's bringing me out the dark

Finally, I can see you crystal clear
G *E*
Go ahead and sell me out and I'll lay your ship bare

Am *E*
See how I leave with every piece of you
G *E*
Don't underestimate the things that I will do
Am *E*
There's a fire starting in my heart
G *E*
Reaching a fever pitch and it's bringing me out the dark

F *G* *Em*
The scars of your love, remind me of us
F
They keep me thinking that we almost had it all
F *G* *Em*
The scars of your love, they leave me breathless
E
I can't help feeling

E *Am* *G*
We could have had it all -

And you played it to the beat

2. *Am* *E*
Baby I have no story to be told
G *E*
But I've heard one of you and I'm gonna make your
head burn
Am *E*
Think of me in the depths of your despair
G *E*
Making a home down there, as mine sure won't be
shared
Am *E*
Throw your soul through every open door
G *E*
Count your blessings to find what you look for
Am *E*
Turn my sorrow into treasured gold
G *E*
You'll pay me back in kind and reap just what you've
sown

- $\overset{Em}{\text{Eleanor Rigby picks up the rice}}$
 In the church where a wedding has $\overset{C}{\text{been}}$
 Lives in a $\overset{Em}{\text{dream}}$
 Waits at the window
 Wearing the face that she keeps in a jar by the $\overset{C}{\text{door}}$

$\overset{Em7}{\text{All the lonely people}}$
 $\overset{Em6}{\text{Where do they all come from?}}$

- Father McKenzie
 Writing the words of a sermon that no one will hear
 No one comes near
 Look at him working
 Darning his socks in the night when there's nobody there
 What does he care?

Chorus

Ah, look at all the lonely people!
 Ah, look at all the lonely people!

- Eleanor Rigby died in the church
 And was buried along with her name
 Nobody came
 Father McKenzie wiping the dirt
 From his hands as he walks from the grave
 No one was saved

2 Hey Jude!

1. Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

2. Hey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

And anytime you feel the pain, hey Jude, refrain
Don't carry the world upon your shoulders
For well you know that it's a fool who plays it cool
By making his world a little colder
Da da da da, da da da da da

3. Hey Jude, don't let me down
You have found her, now go and get her
Remember to let her into your heart
Then you can start to make it better

So let it out and let it in, hey Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you, hey Jude, you'll do
The movement you need is on your shoulder

4. Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it better, better, better,
better, better, better, oh

1 The Bard's Song

Intro

1. Am

Now you all know

The bards and their songs

When hours have gone by

I'll close my eyes

In a world far away

We may meet again

But now hear my song

About the dawn of the night

Let's sing the bards' song

Dm Am Dm Am
Tomor - row will take us away

Dm Am
Far from home

Dm F G Dm
No one will ever know our names

Due to our magic songs

2. There's only one song

Left in my mind

Tales of a brave man

Who lived far from here

Now the bard songs are over

And it's time to leave

No one should ask you for the name

Of the one

Who tells the story

Tomorrow will take us away

Far from home

No one will ever know our names

But the bards' songs will remain

Tomorrow all will be known

And you're not alone

So don't be afraid

In the dark and cold

F G C G/B Am
'Cause the bards' songs will rem - a - ain

In my thoughts and in my dreams

2. Well your faith was strong but you needed proof
 You saw her bathing on the roof
 Her beauty and the moonlight overthrew ya
 She tied you to her kitchen chair
 She broke your throne and she cut your hair
 And from your lips she drew the Hallelujah
3. Well, maybe I've been here before
 I've seen this room and I've walked this floor
 I used to live with Leonard before I knew ya
 I've seen your flag on the marble arch
 But love is not a victory march
 It's a cold and it's a broken Hallelujah
4. There was a time when you let me know
 What's really going on below
 But now you never show that to me do ya
 But remember when I moved in you
 And the holy dove was moving too
 And every breath you drew was Hallelujah

5. And maybe there's a God above
 But all I've ever learned from love
 Was how to shoot somebody who outdrew ya
 Well it's not a cry that you hear at night
 It's not somebody who's seen the light
 It's a cold and it's a broken Hallelujah

For the people who are still alive.

2. I'm not even angry.
I'm being so sincere right now.
Even though you broke my heart and killed me.

And tore me to pieces.
And threw every piece into a fire.
As they burned it hurt because
I was so happy for you!

Now these points of data make a beautiful line.
And we're out of beta, we're releasing on time.
So I'm GLaD I got burned.
Think of all the things we learned
For the people who are still alive.

3. Go ahead and leave me.

I think I prefer to stay inside.

Maybe you'll find someone else to help you.

Maybe Black Mesa...

THAT WAS A JOKE. Haha. FAT CHANCE.

Anyway, this cake is great.

It's so delicious and moist.

Look at me still talking when there's science to do.

When I look out there it makes me GLaD I'm not you.

I've experiments to run there is research to be done

On the people who are still alive

And believe me I am still alive.

I'm doing science and I'm still alive.

I feel FANTASTIC and I'm still alive.

While you're dying I'll be still alive.

And when you're dead I will be still alive.

Still alive

Still alive

Maybe not quite as heavy

Now little Caroline is in here too

One day they woke me up

So I could live forever

It's such a shame the same will never happen to you

You've got your short sad life left

That's what I'm counting on

I'll let you get right to it

Now I only want you gone

- Goodbye my only friend

Oh, did you think I meant you?

That would be funny if it weren't so sad

Well you have been replaced

I don't need anyone now

When I delete you maybe I'll stop feeling so bad

Go make some new disaster

That's what I'm counting on

You're someone else's problem

 $\overset{F}{\text{Just to be with}} \overset{D}{\text{you}}$

And can you feel the love tonight?
 It is where we are
 It's enough for this wide-eyed wanderer
 That we got this far

And can you feel the love tonight?
 How it's laid to rest?
 It's enough to make kings and vagabonds
 Believe the very best

2. There's a time for everyone
 If they only learn
 That the twisting kaleidoscope
 Moves us all in turn
 There's a rhyme and reason
 To the wild outdoors
 When the heart of this star-crossed voyager
 Beats in time with yours

1 *Somebody That I Used to Know*

1. *Dm C Dm C*

Now and then I think of when we were together
Like when you said you felt so happy you could die
Told myself that you were right for me
But felt so lonely in your company
But that was love and it's an ache I still remember

2. You can get addicted to a certain kind of sadness

Like resignation to the end, always the end
So when we found that we could not make sense
Well you said that we would still be friends
But I'll admit that I was glad that it was over

Dm But you didn't have to *C* cut me off *B^b* *C*

Make out like it never happened and that we were nothing
And I don't even need your love
But you treat me like a stranger and that feels so rough
No you didn't have to stoop so low
Have your friends collect your records and then change your
number
I guess that I don't need that though
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know

3. Now and then I think of all the times you screwed me
over
But had me believing it was always something that I'd
done
And I don't wanna live that way
Reading into every word you say
You said that you could let it go
And I wouldn't catch you hung up on somebody that
you used to know

Chorus

Somebody, I used to know
(Somebody) Now you're just somebody that I used to
know
Somebody, I used to know
(Somebody) Now you're just somebody that I used to
know
I used to know, that I used to know, I used to know
somebody

1 The Good Book

^{B♭}Life is like an ocean voyage and our ^Fbodies are the ships
 And with-out a ^Cmoral compass we would all be cast ^A
^{Dm}a-drift ^{Dm/C}
^{B♭}So to keep us on our bearings, the ^FLord gave us a gift
^{C7}And like most gifts you get, it was a ^Cbook

1. ^FI only read one book, but it's a ^{B♭}good book, don't you
 know
^{C7}I act the way I act because the Good Book tells me so ^F
^FIf I wanna known how to ^{F/E♭}be good, it's to ^{B♭/D}the
^{B♭m/D♭}Good Book that I go
^{C7}'Cos the Good Book is a book and it is good and it's a
^Fbook

2. I know the Good Book's good because the Good Book
 says it's good
 I know the Good Book knows it's good because a really
 good book would
 You wouldn't cook without a cookbook and I think it's
 understood
 You can't be good without a Good Book 'cos it's good
 and it's a book
 And it is good for cookin'

^{Dm}I tried to read some other books, but I soon gave up on ^A
 that
^{B♭}The paragraphs ain't numbered and they complicate the ^F
^Cfacts
^AI can't read Harry Potter 'cos they're ^{Dm}worshipping false
 gods and that
^GAnd Dumbledore's a poofter and that's ^Cbad, 'cos it's not
 good

3. Morality is written there in simple white and black
 I feel sorry for you heathens, got to think about all that
 Good is good and evil's bad and goats are good and pigs
 are crap
 You'll find which one is which in the Good Book, 'cos
 it's good
 And it's a book, and it's a book

I had a cat, she gave birth to a litter
 The kittens were adorable and they made my family
 laugh
 But as they grew they started misbehavin'
 So I drowned the little fuckers in the bath
 When the creatures in your care start being menaces
 The answers can be found right there in Genesis!
 Chapter ^D6, Verse 5-7! Yee-haw!

^GSwing your partner by the hand, ^Chave a baby if you can
^DBut if the voices in your head say to sacrifice your kid
^GTo satiate your loving God's ^Cfetish for dead baby blood
^DIt's simple faith, the Book demands, so raise that knife
 up in your hand!

4. Before the Good Book made us good, there was no good
 way to know
 If a thing was good or not that good or kind of touch
 and go
 So God decided he'd give writing allegoric prose a go
 And so he wrote a book and it was generally
 well-received

^{B^b}
 The Telegraph said, "This God is remi-niscent of the
^C
 Norse."
^{B^b} ^F
 The Times said, "Kind of turgid, but I liked the bit with
^C
 horses."
^A ^{Dm}
 The Mail said, "Lots of massacres, a violent tour de
 force.
^G ^C
 If you only read one book this year, then this one is a
 book
^D
 And it is good, and it's a book!"

 Swing your daughter by the hand, but if she gets raped
 by a man
 And refuses then to marry him, stone her to death!

^{Em} ^B
 If you just close your eyes and block your ears
^C ^G
 To the ac-cumulated knowledge of the last two thousand
^D
 years
^B ^{Em}
 Then morally, guess what? You're off the hook
^A ^D
 And thank Christ you only have to read one book

^{Dm} ^A
 Just because the book's contents were written
 generations hence
^{Dm} ^A
 By hairy desert-dwelling gents squatting in their dusty
 tents
^{Em} ^B
 Just because what Heaven said was said before they'd
 leavened bread
^{Em} ^B
 Just 'cos Jesus couldn't read doesn't mean that we
 should need
^C ^G
 When ma-nipulating human genes to al-leviate pain and
 fight disease
^C ^G
 When de-ciding whether it's wrong or right to help the
 dyin' let go of life
^D
 Or stop a pregnancy when it's just a tiny blastocyst
^B ^{Em}
 There's no reason why we should take a look
^D ^C ^{G/B}
 At any other book but the Good Book
^A
 'Cause it's good and it's a book
^D
 And it's a book and it's quite good!

^G ^{G/F}
 Good is good and evil's bad
^{C/E} ^{Cm/E}
 And kids get killed when God gets mad
^D ^G ^{D G}
 You'd better take a good look at the Good Book

 And if we argue you just foldable

5. My mates all reckon you are suitable
 I took you 'round to watch the foodtable
 And Steve and Gary said you're rootable
 Commutable, refutable you.

6. You're never sensitive or tickley

When I rub you my skin goes prickerly

It's know an static electricity

Felicity when I'm kissing you.

Your skin is so smooth, I couldn't afford you with hair

You have all the holes real girls have got plus one for the air

Your problems are simple, I don't need my Masters in Psych

To know if you get down I just perk you right up

With a couple of squirts from the pump off my bike.

7. You never wake up when I snore at all

A trait which I find quite adorable

You have a box and you are storable

Ignorable, back-doorable you.

8. Any sexual position's feasible

Although you don't bend at the knees at all

Your hooters are so firm and squeezable

Increasable, un-creasable you.

9. You don't complain about my hairy back

Or 'bout the inches that downstairs I lack

You're not disgusted by my furry crack

Burt Bacharach, Jack Kerouac ooo.

10. Now birth control is not an issue

I clean it all up with a tissue

I bet my jealous friend all wish you

Were insatiably inflatably theirs.

Don't let me down.

Don't let me down.

Don't let me down.

And I won't let you down.

2 Galaxy Song

When-^{F6}ever life gets you down Mrs. Brown^B
And things seem hard or tough^{F6}^B
And people are stupid, ob-noxious or daft^{F6}^B^{G#7}
And you feel^{C#m7} that you've had quite e-nough...^{F#7}

1. Just, re-mem-ber^B that you're standing on a planet that's
evolving
And revolving at nine hundred miles an hour^{F#7}
That's orbiting at nineteen miles a second, so it's
reckoned
A sun that is the source of all our power^B

The sun, and you and me, and all the stars that we can
see
Are moving at a million miles a day^{G#7}^{C#m7}
In an outer spiral arm^E^{Fdim} at forty thousand miles an hour^{B/F#}^{G#7}
Of the galaxy we call^{C#m7} the Milky Way^{F#7}^B
E Fdim B/F# G#7 C#m7 F#7 B F#7

2. Our galaxy itself, contains a hundred billion stars
It's a hundred thousand light years side-to-side
It bulges in the middle, sixteen thousand light years
thick
But out by us it's just three thousand light years wide

We're thirty thousand light years from galactic central
point
We go round every two hundred million years
And our galaxy is only one of millions of billions
In this amazing and expanding universe

3. The universe itself keeps on expanding and expanding
In all of the directions it can whiz
As fast as it can go, the speed of light you know
Twelve million miles a minute and that's the fastest
speed there is

So remember when you're feeling very small and insecure
How amazingly unlikely is your birth
And pray that there's intelligent life somewhere up in
space
Cause there's bugger-all down here on Earth

4 Time Flies

Capo Vth fret

1. I was born in '67

The year of Sgt. Pepper

And are you experienced

Into a suburban heaven

Yeah it should've been forever

It all seems to make so much sense

But after a while

You realize time flies

And the best thing that you can do

Is take whatever comes to you

'Cause time flies

2. She said luck is what you make it

You just reach out and take it

Now let's dance a while

She said nothing ever happens

If you don't make it happen

And if you can't laugh and smile

Chorus

And laughing in the summer showers

That's still the way I see you now

How does time break down

With no marker, things slow down.

A conference of the strange

And your family is deranged

3. I could tell you what I'm thinking

While we sit here drinking

But I'm not sure where to start

You see there's something wrong here

I'm sorry if I'm not clear

Can you stop smoking your cigar

Chorus

And the coat you wore to Alton Towers

Is still the way I see you now

The hissing subsides

To be part of, the wave can't stop
Come and tell me when it's time to

3. Sweetheart is bleeding in the snow cone
So smart she's leading me to ozone
Music the great communicator
Use two sticks to make it in the nature

I'll get you into penetration
The gender of a generation
The birth of every other nation
Worth your weight the gold of meditation

This chapter's going to be a close one
Smoke rings I know you're going to blow one
All on a spaceship persevering
Use my hands for everything but steering

Can't stop the spirits when they need you
Mop tops are happy when they feed you
Jay butterfly is in the treetop
Birds that blow the meaning into bebop

Em *D*
Wait a minute, I'm passing out
Bm *C*
Win or lose, just like you
Em *D*
Far more shockin' than anything
Bm *C*
I ever knew, how 'bout you

Ten more reasons why
I need somebody new, just like you
Far more shockin' than anything
I ever knew, right on cue

4. Can't stop addicted to the shindig
Chop top he says I'm gonna win big
Choose not a life of imitation
Distant cousin to the reservation
- Defunct the pistol that you pay for
This punk the feeling that you stay for
In time I want to be your best friend
Eastside love is living on the westend

Knocked out but boy you better come to
 Don't die you know the truth as some do
 Go write your message on the pavement
 Burn so bright I wonder what the wave meant

Kick start the golden generator
 Sweet talk but don't intimidate her
 Can't stop the Gods from engineering
 Feel no need for any interfering

Your image in the dictionary
 This life is more than ordinary
 Can I get two maybe even three of these
 Comin' from space to teach you of the Plides

Can't stop the spirits when they need you
 This life is more than just a read-thru

Rise Against

1 Hero of war

1. He said, "Son^E
 Have you see the world?^{G#m}
 Well, what would you say^A
 If I said that you could?^E
 Just carry this gun^A
 And you'll even get paid"^E
 I said, "That sounds pretty good"^B

2. Black leather boots
 Spit-shined so bright
 They cut off my hair
 But it looked alright
 We marched and we sang
 We all became friends
 As we learned how to fight

A hero of war^{C#m}
 Yeah that's what I'll be^A
 And when I come home^E
 They'll be damn proud of me^B
 I'll carry this flag^{C#m}
 To the grave if I must^A
 Because it's flag that I love^E
 And a flag that I trust^B

3. I kicked in the door
 I yelled my commands
 The children, they cried
 But I got my man
 We took him away
 A bag over his face
 From his family and his friends

4. They took off his clothes
 They pissed in his hands
 I told them to stop
 But then I joined in
 We beat him with guns
 And batons not just once
 But again and again

5. She walked
 Through bullets and haze
 I asked her to stop
 I begged her to stay
 But she pressed on
 So I lifted my gun
 And I fired away

6. The shells
 Jumped through the smoke
 And into the sand
 That the blood now had soaked
 She collapsed
 With a flag in her hand
 A flag white as snow

A hero of war
 Is that what they see
 Just medals and scars
 So damn proud of me
 And I brought home that flag
 Now it gathers dust
 But it's a flag that I love
 It's the only flag I trust

7. He said, "Son

Have you seen the world?

Well what would you say

If I said that you could?"

4. Are you going to Scarborough Fair
Parsley, sage, rosemary and thyme
Remember me to one who lives there
She was once a true love of mine
-

1. Tell her to make me a cambric shirt
(On the side of a hill in the deep forest green)
Parsley, sage, rosemary and thyme
(Tracing of sparrow on snow crested brown)
Without no seams nor needle work
(Blankets and bedclothes the child of the mountain)
Then she'll be a true love of mine
(Sleeps unaware of the clarion call)
2. Tell her to find me an acre of land
(On the side of a hill a sprinkling of leaves)
Parsley, sage, rosemary and thyme
(Washes the grave with silvery tears)
Between the salt water and the sea strands
(A soldier cleans and polishes a gun)
Then she'll be a true love of mine
3. Tell her to reap it with a sickle of leather
(War bellows blazing in scarlet battalions)
Parsley, sage, rosemary and thyme
(Generals order their soldiers to kill)
And gather it all in a bunch of heather
(And to fight for a cause they've long ago forgotten)
Then she'll be a true love of mine

3 *The Sound of Silence*

1. ^{Am} Hello darkness, my old friend ^G
^{Am} I've come to talk with you again
^C Because a vision ^F softly ^C creeping
^F Left its seeds while I was ^C sleeping
^F And the vision that was planted in my ^C brain
^{Am} Still remains
^C Within the ^G sound of ^{Am} silence

2. In restless dreams I walked alone
 Narrow streets of cobblestone
 Neath the halo of a street lamp
 I turned my collar to the cold and damp
 When my eyes were stabbed by the flash of a neon light
 That split the night
 And touched the sound of silence

3. And in the naked light I saw
 Ten thousand people, maybe more
 People talking without speaking
 People hearing without listening
 People writing songs that voices never share
 And no one dared
 Disturb the sound of silence

4. "Fools" said I, "You don't know
 Silence's like a cancer grows
 Hear my words and I might teach you
 Take my arms and I might reach you"
 But my words like silence raindrops fell
 And echoed
 In the wells of silence

5. And the people bowed and prayed
 To the neon god they made
 And the sign flashed out its warning
 In the words that it was forming
 And the sign said, "The words of the prophets
 Are written on the subway walls, and tenement halls"
 And whispered in the sound of silence

1 *Father and Son*

1. It's not time to make a change
Just relax, take it easy
You're still young, that's your fault
There's so much you have to know

Find a girl, settle down
If you want, you can marry
Look at me, I am old
But I'm happy

2. I was once like you are now
And I know that it's not easy
To be calm when you've found
Something going on

But take your time, think a lot
Think of everything you've got
For you will still be here tomorrow
But your dreams may not

3. How can I try to explain?
When I do, he turns away again
And it's always been the same
Same old story

From the moment I could talk
I was ordered to listen
Now there's a way, and I know
That I have to go away
I know, I have to go

4. It's not time to make a change
Just sit down
And take it slowly
You're still young, that's your fault
There's so much you have to go through

Find a girl, settle down
If you want, you can marry
Look at me, I am old
But I'm happy

5. All the times, that I've cried
Keeping all the things I knew inside
And it's hard
But it's harder to ignore it

If they were right, I'd agree
But it's them, they know, not me
Now there's a way, and I know
I have to go away
I know I have to go

2. You know I've seen a lot of what the world can do

And it's breaking my heart in two

Because I never want to see you sad, girl

Don't be a bad girl

Hope you make a lot of nice friends out there

But just remember there's a lot of bad, out there

1. Ein gutes Mädchen lief einst fort,
Verließ der Kindheit schönen Ort;
Verließ die Eltern und sogar
Den Mann, dem sie versprochen war.
Vor einem Haus da blieb sie steh'n,
Darinnen war ein Mann zu sehn
Der Bilder stach in nackte Haut,
Da rief das gute Mädchen laut:

Meister, Meister gib mir Rosen,
Rosen auf mein weißes Kleid,
Stech die Blumen in den bloßen
Unberührten Mädchenleib

2. "Diese Rosen kosten Blut",
So sprach der Meister sanft und gut,
"Enden früh dein junges Leben,
Will dir lieber keine geben."
Doch das Mädchen war vernarrt,
Hat auf Knien ausgeharrt
Bis er nicht mehr widerstand
Und die Nadeln nahm zur Hand.

Chorus

Und aus seinen tiefen Stichen
Wuchsen Blätter, wuchsen Blüten,
Wuchsen unbekannte Schmerzen
In dem jungen Mädchenherzen
Später hat man sie gesehen
Einsam an den Wassern stehen
Niemals hat man je erfahren
welchen Preis der Meister nahm

3 Die Zwei Trauben

1. Es hingen einst zwei Trauben, wie die Turteltauben
ungestört an einem Strang, ihr ganzes Sommerleben lang
abends, wenn die Grillen sangen, packte die beiden ein
Verlangen,
das es bei Trauben sonst nicht gibt. Sie waren
unsterblich verliebt.
Er war ein dunkler warmer Typ, das hatte sie an ihm so
lieb.
Zur Nachtigallensymphonie sang er ganz leis allein für sie
Oh du meine schöne Traube, glaub mir, dass ich an dich
nur glaube.
Du meine wunderschöne Braut mit deiner zarten glatten
Haut.

Mein Leben tauscht ich dafür ein, nur einmal eins mit dir
zu sein.

Mein Leben tauscht ich dafür ein, nur einmal eins mit dir
zu sein.

2. Sie sprach, ach ja, das wär so schön, nur wird es leider
nie geschehn,
anders als Menschen oder Affen sind wir nicht dafür
geschaffen.
Du bist nirgends lang und spitz und ich hab nirgendwo
nen Schlitz.
Gott wollte uns das nicht erlauben darum schuf ' er uns
als Trauben.
Vielleicht ham wir in nem andern Leben uns uns in
Sünde hingegeben
ohne sein heilges Wort zu achten und müssen hier jetzt
dafür schmachten.
Wir wollten einst nicht an ihn glauben, darum sind wir
jetzt nur Trauben.
Wenigstens darf ich dich berühren und dich ganz nah bei
mir spürn.

Chorus

3. Da kam ein junger Bauersmann, hat lustlos seinen Job
getan
alle Trauben abgerissen und in seinen Korb geschmissen.
Unsre beiden zarten Süßen zerplatzten unter seinen
Füßen
um doch dann ganz kurz zu genießen sich ineinander zu
ergießen.
Das Glück, in dem sie sich verloren ist dann in einem
Fass vergoren.
Immerhin, die beiden starben. indem sie sich einander
gaben.
Und ich sitz hier heut nacht allein und trinke meinen
roten Wein
denk an die Trauben, an uns zwei und sing ganz leis
mein Lied dabei.

Chorus
