3 Doors Down

1 Here Without You

Chorus

Am F G

1. A hundred ^{*Am*} days have made me older
Since the last ^{*G*} time that I saw your pretty
face ^{*Am F G*}
A thousand ^{*Am*} lies have made me colder
And I don't think I can look at this the same ^{*Am F G*}
^{*Am*} All the miles that separate ^{*G*}
^{*Am*} Disappear now when I'm ^{*F*} dreamin' of your ^{*G*} face

^{*C*} I'm here without you baby ^{*G*}
But you're still on my lonely ^{*Am*} mind
I think about you baby
^{*F*} And I dream ^{*G*} about you all the time
^{*C*} I'm here without you baby
^{*G*} But you're still with me in my ^{*Am*} dreams
^{*F*} And tonight, there's only ^{*G*} you and me

Am G Am F G

2. The ^{*Am*} miles just keep rollin'
^{*G*} As the people leave their way to say hello ^{*Am F G*}
I've heard this life ^{*Am*} is overrated
^{*G*} But I hope that it gets better as we go ^{*Am F G*}

Chorus

^{*Am*} Everything I know, ^{*C*} and anywhere I go
^{*G*} It gets hard but it won't ^{*F*} take away my love
^{*Am*} And when the last one falls, ^{*C*} when it's all said
and done ^{*G*}
It gets hard but it won't ^{*F*} take away my
love ^{*F C G Am F G*}

2 Kryptonite

1. $\frac{4}{4}$ | *Bm* | *G6* *Asus2* |

I took a walk around the world to ease my troubled
mind,
I left my body lyin somewhere in the sands of time.
I watched the world float to the dark side of the moon,
I feel there's nothin I can do, yeah.

2. I watched the world foat to the dark side of the moon.
After all I knew it had to be somethin to do with you.
I really don't mind what happens now and then,
as long as you'll be my friend at the end.

| *Bm* If I go crazy then will *G6* you still call me *Asus2* superman.
If I'm alive and well will you be there a holdin my hand,
I'll keep you by my side with my super human might,
Kryptonite.

3. You call me strong, you call me weak, but still your
secrets I will keep,
you took for granted all the times I never let you down.
You stumble again and bump your head, if not for me
then you'd be dead.
I picked you up and put you back on solid ground.

Chorus

I took a walk around the world to ease my troubled
mind,
I left my body lyin somewhere in the sands of time.
I watched the world float to the dark side of the moon,
I feel there's nothin I can do, yeah.

1 *Rolling In the Deep*

Chorus

Capo IIIrd fret

1. *Am* *E*
There's a fire starting in my heart
G *E*
Reaching a fever pitch and it's bringing me out the dark
Am *E*
Finally, I can see you crystal clear
G *E*
Go ahead and sell me out and I'll lay your ship bare

Am *E*
See how I leave with every piece of you
G *E*
Don't underestimate the things that I will do
Am *E*
There's a fire starting in my heart
G *E*
Reaching a fever pitch and it's bringing me out the dark

F *G* *Em*
The scars of your love, remind me of us
F
They keep me thinking that we almost had it all
F *G* *Em*
The scars of your love, they leave me breathless
E
I can't help feeling

E *Am* *G*
We could have had it all -
F *G*
Rolling in the deep
Am *G*
Your had my heart inside of your hand
F *G*
And you played it to the beat

2. *Am* *E*
Baby I have no story to be told
G *E*
But I've heard one of you and I'm gonna make your
head burn
Am *E*
Think of me in the depths of your despair
G *E*
Making a home down there, as mine sure won't be
shared
Am *E*
Throw your soul through every open door
G *E*
Count your blessings to find what you look for
Am *E*
Turn my sorrow into treasured gold
G *E*
You'll pay me back in kind and reap just what you've
sown

 She tied you to her kitchen chair
 She broke your throne and she cut your hair
 And from your lips she drew the Hallelujah
3. Well, maybe I've been here before
 I've seen this room and I've walked this floor
 I used to live with Leonard before I knew ya
 I've seen your flag on the marble arch
 But love is not a victory march
 It's a cold and it's a broken Hallelujah
4. There was a time when you let me know
 What's really going on below
 But now you never show that to me do ya
 But remember when I moved in you
 And the holy dove was moving too
 And every breath you drew was Hallelujah

5. And maybe there's a God above
 But all I've ever learned from love
 Was how to shoot somebody who outdrew ya
 Well it's not a cry that you hear at night
 It's not somebody who's seen the light
 It's a cold and it's a broken Hallelujah

1 *Somebody That I Used to Know*1. *Dm C Dm C*

Now and then I think of when we were together
 Like when you said you felt so happy you could die
 Told myself that you were right for me
 But felt so lonely in your company
 But that was love and it's an ache I still remember

2. You can get addicted to a certain kind of sadness

Like resignation to the end, always the end
 So when we found that we could not make sense
 Well you said that we would still be friends
 But I'll admit that I was glad that it was over

Dm But you didn't have to *C* cut me off *B^b* *C*

Make out like it never happened and that we were nothing
 And I don't even need your love
 But you treat me like a stranger and that feels so rough
 No you didn't have to stoop so low
 Have your friends collect your records and then change your
 number
 I guess that I don't need that though
 Now you're just somebody that I used to know
 Now you're just somebody that I used to know
 Now you're just somebody that I used to know

3. Now and then I think of all the times you screwed me
 over
 But had me believing it was always something that I'd
 done
 And I don't wanna live that way
 Reading into every word you say
 You said that you could let it go
 And I wouldn't catch you hung up on somebody that
 you used to know

Chorus

Somebody, I used to know
 (Somebody) Now you're just somebody that I used to
 know
 Somebody, I used to know
 (Somebody) Now you're just somebody that I used to
 know
 I used to know, that I used to know, I used to know
 somebody

1 The Good Book

B^b
Life is like an ocean voyage and our F bodies are the ships
And with-out C a moral compass we would all be cast A
 Dm Dm/C
a-drift
So to B^b keep us on our bearings, the F Lord gave us a gift
 $C7$
And like most gifts you get, it was a C book

1. F I only read one book, but it's a B^b good book, don't you
know
 $C7$ I act the way I act because the Good Book tells me so F
 F If I wanna known how to F/E^b be good, it's to B^b/D the
 $B^b/m/D^b$ Good Book that I go
 $C7$ 'Cos the Good Book is a book and it is good and it's a
 F book

2. I know the Good Book's good because the Good Book
says it's good
I know the Good Book knows it's good because a really
good book would
You wouldn't cook without a cookbook and I think it's
understood
You can't be good without a Good Book 'cos it's good
and it's a book
And it is good for cookin'

Dm I tried to read some other books, but I A soon gave up on
that
 B^b The paragraphs ain't numbered and they F complicate the
 C facts
 A I can't read Harry Potter 'cos they're Dm worshipping false
gods and that
 G And Dumbledore's a poofter and that's C bad, 'cos it's not
good

3. Morality is written there in simple white and black

I feel sorry for you heathens, got to think about all that
Good is good and evil's bad and goats are good and pigs
are crap

You'll find which one is which in the Good Book, 'cos
it's good

And it's a book, and it's a book

I had a cat, she gave birth to a litter

The kittens were adorable and they made my family
laugh

But as they grew they started misbehavin'

So I drowned the little fuckers in the bath

When the creatures in your care start being menaces

The answers can be found right there in Genesis!

Chapter D 6, Verse 5-7! Yee-haw!

G Swing your partner by the hand, C have a baby if you can
But if D the voices in your head say to sacrifice your kid
 G To satiate your loving God's C fetish for dead baby blood
 D It's simple faith, the Book demands, so raise that knife
up in your hand!

4. Before the Good Book made us good, there was no good
way to know

If a thing was good or not that good or kind of touch
and go

So God decided he'd give writing allegoric prose a go

And so he wrote a book and it was generally

well-received

^{B^b}
 The Telegraph said, "This God is remi-niscent of the
^C
 Norse."
^{B^b} ^F
 The Times said, "Kind of turgid, but I liked the bit with
^C
 horses."
^A ^{Dm}
 The Mail said, "Lots of massacres, a violent tour de
 force.
^G ^C
 If you only read one book this year, then this one is a
 book
^D
 And it is good, and it's a book!"

 Swing your daughter by the hand, but if she gets raped
 by a man
 And refuses then to marry him, stone her to death!

^{Em} ^B
 If you just close your eyes and block your ears
^C ^G
 To the ac-cumulated knowledge of the last two thousand
^D
 years
^B ^{Em}
 Then morally, guess what? You're off the hook
^A ^D
 And thank Christ you only have to read one book

^{Dm} ^A
 Just because the book's contents were written
 generations hence
^{Dm} ^A
 By hairy desert-dwelling gents squatting in their dusty
 tents
^{Em} ^B
 Just because what Heaven said was said before they'd
 leavened bread
^{Em} ^B
 Just 'cos Jesus couldn't read doesn't mean that we
 should need
^C ^G
 When ma-nipulating human genes to al-leviate pain and
 fight disease
^C ^G
 When de-ciding whether it's wrong or right to help the
 dyin' let go of life
^D
 Or stop a pregnancy when it's just a tiny blastocyst
^B ^{Em}
 There's no reason why we should take a look
^D ^C ^{G/B}
 At any other book but the Good Book
^A
 'Cause it's good and it's a book
^D
 And it's a book and it's quite good!

^G ^{G/F}
 Good is good and evil's bad
^{C/E} ^{Cm/E}
 And kids get killed when God gets mad
^D ^G ^D ^G
 You'd better take a good look at the Good Book

2. Our galaxy itself, contains a hundred billion stars
It's a hundred thousand light years side-to-side
It bulges in the middle, sixteen thousand light years
thick
But out by us it's just three thousand light years wide

We're thirty thousand light years from galactic central
point
We go round every two hundred million years
And our galaxy is only one of millions of billions
In this amazing and expanding universe

3. The universe itself keeps on expanding and expanding
In all of the directions it can whiz
As fast as it can go, the speed of light you know
Twelve million miles a minute and that's the fastest
speed there is

So remember when you're feeling very small and insecure
How amazingly unlikely is your birth
And pray that there's intelligent life somewhere up in

Cause there's bugger-all down here on Earth

1 Time Flies

Capo Vth fret

1. I was born in '67

The year of Sgt. Pepper

And are you experienced

Into a suburban heaven

Yeah it should've been forever

It all seems to make so much sense

But after a while

You realize time flies

And the best thing that you can do

Is take whatever comes to you

'Cause time flies

2. She said luck is what you make it

You just reach out and take it

Now let's dance a while

She said nothing ever happens

If you don't make it happen

And if you can't laugh and smile

Chorus

And laughing in the summer showers

That's still the way I see you now

How does time break down

With no marker, things slow down.

A conference of the strange

And your family is deranged

3. I could tell you what I'm thinking

While we sit here drinking

But I'm not sure where to start

You see there's something wrong here

I'm sorry if I'm not clear

Can you stop smoking your cigar

Chorus

And the coat you wore to Alton Towers

Is still the way I see you now

2 *Trains*

Capo Vth fret

1. Train set and match spied under the blind

Shiny and contoured the railway winds

And I've heard the sound from my cousin's bed

The hiss of the train at the railway head

A - Am C/G Cj7/G
A - a - always the sum-mers
are slipping a-way A C/G Cj7/G

2. A 60 ton angel falls to the earth

A pile of old metal, a radiant blur

Scars in the country, the summer and her

Always the summers are slipping away
Find me a way for making it stay

When I hear the engine pass

I'm kissing you wide

The hissing subsides

I'm in luck

When the evening reaches here

You're tying me up

I'm dying of love

It's OK

2. Black leather boots

 We all became friends
 As we learned how to fight

A hero of war^{C#m}
 Yeah that's what I'll be^A
 And when I come home^E
 They'll be damn proud of me^B
 I'll carry this flag^{C#m}
 To the grave if I must^A
 Because it's flag that I love^E
 And a flag that I trust^B

3. I kicked in the door
 I yelled my commands
 The children, they cried
 But I got my man
 We took him away
 A bag over his face
 From his family and his friends

4. They took off his clothes
 They pissed in his hands
 I told them to stop
 But then I joined in
 We beat him with guns
 And batons not just once
 But again and again

5. She walked
 Through bullets and haze
 I asked her to stop
 I begged her to stay
 But she pressed on
 So I lifted my gun
 And I fired away

6. The shells
 Jumped through the smoke
 And into the sand
 That the blood now had soaked
 She collapsed
 With a flag in her hand
 A flag white as snow

A hero of war
 Is that what they see
 Just medals and scars
 So damn proud of me
 And I brought home that flag
 Now it gathers dust
 But it's a flag that I love
 It's the only flag I trust

7. He said, "Son

1. Tell her to make me a cambric shirt

Parsley, sage, rosemary and thyme

Without no seams nor needle work

Then she'll be a true love of mine

(Washes the grave with silvery tears)
Between the salt water and the sea strands
(A soldier cleans and polishes a gun)
Then she'll be a true love of mine
3. Tell her to reap it with a sickle of leather
(War bellows blazing in scarlet battalions)
Parsley, sage, rosemary and thyme
(Generals order their soldiers to kill)
And gather it all in a bunch of heather
(And to fight for a cause they've long ago forgotten)
Then she'll be a true love of mine

3 *The Sound of Silence*

1. ^{Am} Hello darkness, my old friend ^G
^{Am} I've come to talk with you again
^C Because a vision ^F softly ^C creeping
^F Left its seeds while I was ^C sleeping
^F And the vision that was planted in my ^C brain
^{Am} Still remains
^C Within the ^G sound of ^{Am} silence

2. In restless dreams I walked alone
 Narrow streets of cobblestone
 Neath the halo of a street lamp
 I turned my collar to the cold and damp
 When my eyes were stabbed by the flash of a neon light
 That split the night
 And touched the sound of silence

3. And in the naked light I saw
 Ten thousand people, maybe more
 People talking without speaking
 People hearing without listening
 People writing songs that voices never share
 And no one dared
 Disturb the sound of silence

4. "Fools" said I, "You don't know
 Silence's like a cancer grows
 Hear my words and I might teach you
 Take my arms and I might reach you"
 But my words like silence raindrops fell
 And echoed
 In the wells of silence

5. And the people bowed and prayed
 To the neon god they made
 And the sign flashed out its warning
 In the words that it was forming
 And the sign said, "The words of the prophets
 Are written on the subway walls, and tenement halls"
 And whispered in the sound of silence

1 Runaway Train

1. *C* Call you up in the middle of the night
Em Like a firefly without a light
Am You were there like a slow torch burning
G I was a key that could use a little turning
- C* So tired that I couldn't even sleep
Em So many secrets I couldn't keep
Am Promised myself I wouldn't weep
G One more promise I couldn't keep
- F* It seems no one can help me now
C I'm in too deep
Am There's no way out
F This time I have really led myself astray *Em* *G*

C Runaway train never going back
Em Wrong way on a one way track
Am Seems like I should be getting somewhere
G Somehow I'm neither here nor there

2. *C* Can you help me remember how to smile
Em Make it somehow all seem worthwhile
Am How on earth did I get so jaded
G Life's mystery seems so faded
- C* I can go where no one else can go
Em I know what no one else knows
Am Here I am just drownin' in the rain
G With a ticket for a runaway train

- F* Everything is cut and dry *G*
C Day and night
Am Earth and sky
F Somehow I just don't believe it *Em* *G*
3. *C* Bought a ticket for a runaway train
Em Like a madman laughin' at the rain
Am Little out of touch, little insane
G Just easier than dealing with the pain
- C* Runaway train never comin' back
Em Runaway train tearin' up the track
Am Runaway train burnin' in my veins
G Runaway but it always seems the same

1 *Father and Son*

1. It's not time to make a change
Just relax, take it easy
You're still young, that's your fault
There's so much you have to know

Find a girl, settle down

If you want, you can marry

Look at me, I am old

But I'm happy

2. I was once like you are now
And I know that it's not easy
To be calm when you've found
Something going on

But take your time, think a lot

Think of everything you've got

For you will still be here tomorrow

But your dreams may not

3. How can I try to explain?
When I do, he turns away again
And it's always been the same
Same old story

From the moment I could talk

I was ordered to listen

Now there's a way, and I know

That I have to go away

I know, I have to go

4. It's not time to make a change
Just sit down
And take it slowly
You're still young, that's your fault
There's so much you have to go through

Find a girl, settle down

If you want, you can marry

Look at me, I am old

But I'm happy

5. All the times, that I've cried
Keeping all the things I knew inside
And it's hard
But it's harder to ignore it

If they were right, I'd agree

But it's them, they know, not me

Now there's a way, and I know

I have to go away

I know I have to go

2 *Wild World*

1. ^{Am} Now that I've ^{D7}lost everything to you ^G
^G You say you ^Cwanna start something ^Fnew
^F And it's ^{Dm}breaking my heart you're ^Eleaving
^E Baby, I'm grievin'

But if you want to leave, take good care

Hope you have a lot of nice things to wear

But then a lot of nice things turn bad, out ^{G7}there

^C ^G Oh baby, baby, it's a ^{Am} ^Fwild world
^G It's hard to get ^Fby, just upon a ^Csmile
^C ^G Oh baby, baby, it's a ^{Am} ^Fwild world
^G I'll always remember you like a ^Fchild, girl ^{D E}

2. You know I've seen a lot of what the world can do

And it's breaking my heart in two

Because I never want to see you sad, girl

Don't be a bad girl

But if you want to leave, take good care

Hope you make a lot of nice friends out there

But just remember there's a lot of bad, out there

4 Kleid aus Rosen

1. Ein gutes Mädchen lief einst fort,
Verließ der Kindheit schönen Ort;
Verließ die Eltern und sogar
Den Mann, dem sie versprochen war.
Vor einem Haus da blieb sie steh'n,
Darinnen war ein Mann zu sehn
Der Bilder stach in nackte Haut,
Da rief das gute Mädchen laut:

Meister, Meister gib mir Rosen,
Rosen auf mein weißes Kleid,
Stech die Blumen in den bloßen
Unberührten Mädchenleib

2. "Diese Rosen kosten Blut",
So sprach der Meister sanft und gut,
"Enden früh dein junges Leben,
Will dir lieber keine geben."
Doch das Mädchen war vernarrt,
Hat auf Knien ausgeharrt
Bis er nicht mehr widerstand
Und die Nadeln nahm zur Hand.

Chorus

Und aus seinen tiefen Stichen
Wuchsen Blätter, wuchsen Blüten,
Wuchsen unbekannte Schmerzen
In dem jungen Mädchenherzen
Später hat man sie gesehen
Einsam an den Wassern stehen
Niemals hat man je erfahren
welchen Preis der Meister nahm

3 Die Zwei Trauben

1. Es hingen einst zwei Trauben, wie die Turteltauben
ungestört an einem Strang, ihr ganzes Sommerleben lang
abends, wenn die Grillen sangen, packte die beiden ein
Verlangen,
das es bei Trauben sonst nicht gibt. Sie waren
unsterblich verliebt.
Er war ein dunkler warmer Typ, das hatte sie an ihm so
lieb.
Zur Nachtigallensymphonie sang er ganz leis allein für sie
Oh du meine schöne Traube, glaub mir, dass ich an dich
nur glaube.
Du meine wunderschöne Braut mit deiner zarten glatten
Haut.

Mein Leben tauscht ich dafür ein, nur einmal eins mit dir
zu sein.

Mein Leben tauscht ich dafür ein, nur einmal eins mit dir
zu sein.

2. Sie sprach, ach ja, das wär so schön, nur wird es leider
nie geschehn,
anders als Menschen oder Affen sind wir nicht dafür
geschaffen.
Du bist nirgends lang und spitz und ich hab nirgendwo
nen Schlitz.
Gott wollte uns das nicht erlauben darum schuf 'er uns
als Trauben.
Vielleicht ham wir in nem andern Leben uns uns in
Sünde hingegeben
ohne sein heiliges Wort zu achten und müssen hier jetzt
dafür schmachten.
Wir wollten einst nicht an ihn glauben, darum sind wir
jetzt nur Trauben.
Wenigstens darf ich dich berühren und dich ganz nah bei
mir spürn.

Chorus

3. Da kam ein junger Bauersmann, hat lustlos seinen Job
getan
alle Trauben abgerissen und in seinen Korb geschmissen.
Unsre beiden zarten Süßen zerplatzten unter seinen
Füßen
um doch dann ganz kurz zu genießen sich ineinander zu
ergießen.
Das Glück, in dem sie sich verloren ist dann in einem
Fass vergoren.
Immerhin, die beiden starben. indem sie sich einander
gaben.
Und ich sitz hier heut nacht allein und trinke meinen
roten Wein
denk an die Trauben, an uns zwei und sing ganz leis
mein Lied dabei.

Chorus

1 *Just the Two of us*

Cj7 B7 Em7 Dm7 G7 Cj7 B7 Em7

1. I see the crystal rain drops fall
 And the beauty of it all
 Is when the sun comes shining through
 To make those rainbows in my mind
 When I think of you sometime
 And I want to spend some time with you

Just the two of us, we can make it if we try
 Just the two of us, just the two of us
 Just the two of us, building castles in the sky
 Just the two of us, you and I

Cj7 B7 B^bj7 A7 A^bj7 G7 Cj7 B7

2. We look for love
 No time for tears
 Wasted water's all that is
 And it don't make no flowers grow
 Good things might come to those who wait
 But not for those who wait too late
 We've got to go for all we know

Chorus

3. I hear the crystal raindrops fall on the window down the
 hall
 And it becomes the morning dew
 And Darling, when the morning comes
 And I see the morning sun
 I want to be the one with you

Chorus
