1 Here Without You

Chorus

Am F G

1. A hundred ^{*Am*} days have made me older
Since the last ^{*G*} time that I saw your pretty
face ^{*Am F G*}
A thousand ^{*Am*} lies have made me colder
And I don't think I can look at this the same ^{*Am F G*}
^{*Am*} All the miles that separate ^{*G*}
^{*Am*} Disappear now when I'm dreamin' of your face ^{*F G*}

^{*C*} I'm here without you baby ^{*G*}
But you're still on my lonely mind ^{*Am*}
I think about you baby
^{*F*} And I dream about you all the time ^{*G*}
^{*C*} I'm here without you baby
^{*G*} But you're still with me in my dreams ^{*Am*}
^{*F*} And tonight, there's only you and me ^{*G*}

Am G Am F G

2. The miles just keep rollin' ^{*Am*}
As the people leave their way to say hello ^{*G Am F G*}
I've heard this life is overrated ^{*Am*}
But I hope that it gets better as we go ^{*G Am F G*}

Chorus

^{*Am*} Everything I know, ^{*C*} and anywhere I go
^{*G*} It gets hard but it won't take away my love ^{*F*}
^{*Am*} And when the last one falls, ^{*C*} when it's all said
and done ^{*G*}
It gets hard but it won't take away my ^{*F*}
love ^{*F C G Am F G*}

2 Kryptonite

1. $\frac{4}{4}$ | *Bm* | *G6* *Asus2* |

I took a walk around the world to ease my troubled
mind,
I left my body lyin somewhere in the sands of time.
I watched the world float to the dark side of the moon,
I feel there's nothin I can do, yeah.

2. I watched the world foat to the dark side of the moon.
After all I knew it had to be somethin to do with you.
I really don't mind what happens now and then,
as long as you'll be my friend at the end.

| *Bm* If I go crazy then will *G6* you still call me *Asus2* superman.
If I'm alive and well will you be there a holdin my hand,
I'll keep you by my side with my super human might,
Kryptonite.

3. You call me strong, you call me weak, but still your
secrets I will keep,
you took for granted all the times I never let you down.
You stumble again and bump your head, if not for me
then you'd be dead.
I picked you up and put you back on solid ground.

Chorus

I took a walk around the world to ease my troubled
mind,
I left my body lyin somewhere in the sands of time.
I watched the world float to the dark side of the moon,
I feel there's nothin I can do, yeah.

1 Rolling In the Deep

Chorus

Capo IIIrd fret

1. *Am* *E*
There's a fire starting in my heart
G *E*
Reaching a fever pitch and it's bringing me out the dark
Am *E*
Finally, I can see you crystal clear
G *E*
Go ahead and sell me out and I'll lay your ship bare

Am *E*
See how I leave with every piece of you
G *E*
Don't underestimate the things that I will do
Am *E*
There's a fire starting in my heart
G *E*
Reaching a fever pitch and it's bringing me out the dark

F *G* *Em*
The scars of your love, remind me of us
F
They keep me thinking that we almost had it all
F *G* *Em*
The scars of your love, they leave me breathless
E
I can't help feeling

E *Am* *G*
We could have had it all -
F *G*
Rolling in the deep
Am *G*
Your had my heart inside of your hand
F *G*
And you played it to the beat

2. *Am* *E*
Baby I have no story to be told
G *E*
But I've heard one of you and I'm gonna make your
head burn
Am *E*
Think of me in the depths of your despair
G *E*
Making a home down there, as mine sure won't be
shared
Am *E*
Throw your soul through every open door
G *E*
Count your blessings to find what you look for
Am *E*
Turn my sorrow into treasured gold
G *E*
You'll pay me back in kind and reap just what you've
sown

1 Hey Jude!

1. Hey Jude, don't make it bad
 Take a sad song and make it better
 Remember to let her into your heart
 Then you can start to make it better

2. Hey Jude, don't be afraid
 You were made to go out and get her
 The minute you let her under your skin
 Then you begin to make it better

And anytime you feel the pain, hey Jude, refrain
 Don't carry the world upon your shoulders
 For well you know that it's a fool who plays it cool
 By making his world a little colder
 Da da da da, da da da da da da

3. Hey Jude, don't let me down
 You have found her, now go and get her
 Remember to let her into your heart
 Then you can start to make it better

So let it out and let it in, hey Jude, begin
 You're waiting for someone to perform with
 And don't you know that it's just you, hey Jude, you'll do
 The movement you need is on your shoulder

4. Hey Jude, don't make it bad
 Take a sad song and make it better
 Remember to let her under your skin
 Then you'll begin to make it better, better, better,
 better, better, better, oh

2 Let it be

1. When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom
Let it be

And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom
Let it be

Let it be, let it be
Let it be, let it be
Whisper words of wisdom
Let it be

2. And when the broken hearted people
Living in the world agree
There will be an answer
Let it be

For though they may be parted there is
Still a chance that they will see
There will be an answer
Let it be

3. And when the night is cloudy
There is still a light, that shines on me
Shine on till tomorrow
Let it be

I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom
Let it be

3 Yesterday

1. Yesterday
All my troubles seemed so far away
Now it seems as though they're here to stay
Oh, I believe in yesterday

2. Suddenly
I'm not half the man I used to be
There's a shadow hanging over me
Oh, yesterday came suddenly

Why she had to go
I don't know, she wouldn't say
I said something wrong
Now I long for yesterday

3. Yesterday
Love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

4. Yesterday
Love was such an easy game to play
Now I need a place to hide away
Oh, I believe in yesterday

Notion that the motion of your ocean, means small
Craft advisory, so if I cap-

Sunk my battle ship please turn me
On, I'm Mr. Coffee with an
Automatic drip, so show me
Yours I'll show you mine, "Tool Time", you'll

1 Hallelujah

Capo Vth fret

1.

C *Am*
I heard there was a secret chord
C *Am*
That David played and it pleased the Lord
F *G* *C* *G*
But you don't really care for music, do you?
C *F* *G*
And it goes like this: the fourth, the fifth
Am *F* *G*
The minor fall and the major lift
G *Em* *Am*
The baffled king composing Hallelujah

F *Am* *F* *C* *G* *C* *G*
Hallelujah, Hallelujah, Hallelujah, Hallelu-jah -
2.

Well your faith was strong but you needed proof
You saw her bathing on the roof
Her beauty and the moonlight overthrew ya
She tied you to her kitchen chair
She broke your throne and she cut your hair
And from your lips she drew the Hallelujah
3.

Well, maybe I've been here before
I've seen this room and I've walked this floor
I used to live with Leonard before I knew ya
I've seen your flag on the marble arch
But love is not a victory march
It's a cold and it's a broken Hallelujah
4.

There was a time when you let me know
What's really going on below
But now you never show that to me do ya
But remember when I moved in you
And the holy dove was moving too
And every breath you drew was Hallelujah

5.

And maybe there's a God above
But all I've ever learned from love
Was how to shoot somebody who outdrew ya
Well it's not a cry that you hear at night
It's not somebody who's seen the light
It's a cold and it's a broken Hallelujah

1 *Somebody That I Used to Know*1. *Dm C Dm C*

Now and then I think of when we were together
 Like when you said you felt so happy you could die
 Told myself that you were right for me
 But felt so lonely in your company
 But that was love and it's an ache I still remember

2. You can get addicted to a certain kind of sadness

Like resignation to the end, always the end
 So when we found that we could not make sense
 Well you said that we would still be friends
 But I'll admit that I was glad that it was over

Dm But you didn't have to *C* cut me off *B^b* *C*

Make out like it never happened and that we were nothing
 And I don't even need your love
 But you treat me like a stranger and that feels so rough
 No you didn't have to stoop so low
 Have your friends collect your records and then change your
 number
 I guess that I don't need that though
 Now you're just somebody that I used to know
 Now you're just somebody that I used to know
 Now you're just somebody that I used to know

3. Now and then I think of all the times you screwed me
 over
 But had me believing it was always something that I'd
 done
 And I don't wanna live that way
 Reading into every word you say
 You said that you could let it go
 And I wouldn't catch you hung up on somebody that
 you used to know

Chorus

Somebody, I used to know
 (Somebody) Now you're just somebody that I used to
 know
 Somebody, I used to know
 (Somebody) Now you're just somebody that I used to
 know
 I used to know, that I used to know, I used to know
 somebody

1 The Good Book

B^b
Life is like an ocean voyage and our F bodies are the ships
And with-out C a moral compass we would all be cast A
 Dm Dm/C
a-drift
So to B^b keep us on our bearings, the F Lord gave us a gift
 $C7$
And like most gifts you get, it was a C book

1. F I only read one book, but it's a B^b good book, don't you
know
 $C7$ I act the way I act because the Good Book tells me so F
If I wanna known how to F/E^b be good, it's to B^b/D the
 $B^b m/D^b$ Good Book that I go
 $C7$ 'Cos the Good Book is a book and it is good and it's a
 F book

2. I know the Good Book's good because the Good Book
says it's good
I know the Good Book knows it's good because a really
good book would
You wouldn't cook without a cookbook and I think it's
understood
You can't be good without a Good Book 'cos it's good
and it's a book
And it is good for cookin'

Dm I tried to read some other books, but I A soon gave up on
that
 B^b The paragraphs ain't numbered and they F complicate the
 C facts
 A I can't read Harry Potter 'cos they're Dm worshipping false
gods and that
 G And Dumbledore's a poofter and that's C bad, 'cos it's not
good

3. Morality is written there in simple white and black

I feel sorry for you heathens, got to think about all that
Good is good and evil's bad and goats are good and pigs
are crap

You'll find which one is which in the Good Book, 'cos
it's good

And it's a book, and it's a book

I had a cat, she gave birth to a litter

The kittens were adorable and they made my family
laugh

But as they grew they started misbehavin'

So I drowned the little fuckers in the bath

When the creatures in your care start being menaces

The answers can be found right there in Genesis!

Chapter D 6, Verse 5-7! Yee-haw!

G Swing your partner by the hand, C have a baby if you can
But if D the voices in your head say to sacrifice your kid
 G To satiate your loving God's C fetish for dead baby blood
 D It's simple faith, the Book demands, so raise that knife
up in your hand!

4. Before the Good Book made us good, there was no good
way to know

If a thing was good or not that good or kind of touch
and go

So God decided he'd give writing allegoric prose a go

And so he wrote a book and it was generally

well-received

^{B^b}
 The Telegraph said, "This God is remi-niscent of the
^C
 Norse."
^{B^b} ^F
 The Times said, "Kind of turgid, but I liked the bit with
^C
 horses."
^A ^{Dm}
 The Mail said, "Lots of massacres, a violent tour de
 force.
^G ^C
 If you only read one book this year, then this one is a
 book
^D
 And it is good, and it's a book!"

 Swing your daughter by the hand, but if she gets raped
 by a man
 And refuses then to marry him, stone her to death!

^{Em} ^B
 If you just close your eyes and block your ears
^C ^G
 To the ac-cumulated knowledge of the last two thousand
^D
 years
^B ^{Em}
 Then morally, guess what? You're off the hook
^A ^D
 And thank Christ you only have to read one book

^{Dm} ^A
 Just because the book's contents were written
 generations hence
^{Dm} ^A
 By hairy desert-dwelling gents squatting in their dusty
 tents
^{Em} ^B
 Just because what Heaven said was said before they'd
 leavened bread
^{Em} ^B
 Just 'cos Jesus couldn't read doesn't mean that we
 should need
^C ^G
 When ma-nipulating human genes to al-leviate pain and
 fight disease
^C ^G
 When de-ciding whether it's wrong or right to help the
 dyin' let go of life
^D
 Or stop a pregnancy when it's just a tiny blastocyst
^B ^{Em}
 There's no reason why we should take a look
^D ^C ^{G/B}
 At any other book but the Good Book
^A
 'Cause it's good and it's a book
^D
 And it's a book and it's quite good!

^G ^{G/F}
 Good is good and evil's bad
^{C/E} ^{Cm/E}
 And kids get killed when God gets mad
^D ^G ^D ^G
 You'd better take a good look at the Good Book

2 Inflation You

1. Your love for me is not de-batable ^{E^b6}
 Your sexual appetite's in-satiable ^{Fm7}
 You never ever make me waitable ^{Fm7}
 De-lectable, inflatable you. ^{B^b7} ^{E^b6} ^{B^b7}
2. You don't have problems with your weight at all
 You never steal food off my plate at all
 I never have to masturbate at all
 Unstoppable, inflatable you.

3. You never seem to menstruate at all
 So you're not angry when I'm late at all
 I feel permanently felatable
 Unpoppable, inflatable you. ^{E^b6}

With you in my arms I feel ^{Ej7} we could just fly a-way ^{G#m7}
 With the right kind of gas I might ^A even try it some ^{F#m7}
^{G#m7} ^{C#7} ^{F#m7} ^{B7}
 day
 In this ocean of life I'm never ^{Ej7} afraid we might drown ^{G#m7}
 We could just float forever what-ever ^A the weather ^{F#m7}
 When-ever ^{G#m7} my in-flatable lover's ^{C#7} ^{F#m7} ^{B7} ^{B^b7} a-round.

4. Your thighs and buttocks are so holdable
 You always do what you are toldable
 And if we argue you just foldable
 Controllable consolable you.
5. My mates all reckon you are suitable
 I took you 'round to watch the foodtable
 And Steve and Gary said you're rootable
 Commutable, refutable you.

6. You're never sensitive or tickley
 When I rub you my skin goes prickerly
 It's know an static electricity
 Felicity when I'm kissing you.
 Your skin is so smooth, I couldn't afford you with hair
 You have all the holes real girls have got plus one for the air
 Your problems are simple, I don't need my Masters in Psych
 To know if you get down I just perk you right up
 With a couple of squirts from the pump off my bike.

7. You never wake up when I snore at all
 A trait which I find quite adorable
 You have a box and you are storable
 Ignorable, back-doorable you.
8. Any sexual position's feasible
 Although you don't bend at the knees at all
 Your hooters are so firm and squeezable
 Increasable, un-creasable you.
9. You don't complain about my hairy back
 Or 'bout the inches that downstairs I lack
 You're not disgusted by my furry crack
 Burt Bacharach, Jack Kerouac ooo.

10. Now birth control is not an issue
 I clean it all up with a tissue
 I bet my jealous friend all wish you
 Were insatiably inflatably theirs.
 Don't let me down.
 Don't let me down.
 Don't let me down.
 And I won't let you down.

2. I picked you up like a virus
 Like meningococcal meningitis
 Now I can't feel my legs
 When you're around I can't get out of bed
 I've left it too late to risk an operation
 I know there's no hope for a clean amputation
 The successful removal of you
 Would probably kill me too

3. You grew on me like carcinoma *Em*
 Crept up on me like untreated glaucoma
 Now I find it hard to see *Em*
 This untreated dose of you has blinded me
 I should've consulted my local physician
 I'm stuck now forever with this tunnel vision
 My periphery is screwed
 Wherever I look now, all I see is you
D# F

4. *Bb Ab Gb*
 When we first met you seemed fickle and shallow
 But my armour was no match for your poison arrow
 You are wedged inside my breast
 If I tried to pull you out now I think I'd bleed to death
 I'm feeling short of breath
 You grew on me like a tumour
 And you spread through me like malignant melanoma
 I guess I never knew
F#m C#
 How fast a little mole can grow on you

1 Time Flies

Capo Vth fret

1. I was born in '67

The year of Sgt. Pepper

And are you experienced

Into a suburban heaven

Yeah it should've been forever

It all seems to make so much sense

But after a while

You realize time flies

And the best thing that you can do

Is take whatever comes to you

'Cause time flies

2. She said luck is what you make it

You just reach out and take it

Now let's dance a while

She said nothing ever happens

If you don't make it happen

And if you can't laugh and smile

Chorus

And laughing in the summer showers

That's still the way I see you now

How does time break down

With no marker, things slow down.

A conference of the strange

And your family is deranged

3. I could tell you what I'm thinking

While we sit here drinking

But I'm not sure where to start

You see there's something wrong here

I'm sorry if I'm not clear

Can you stop smoking your cigar

Chorus

And the coat you wore to Alton Towers

Is still the way I see you now

2 *Trains*

Capo Vth fret

1. Train set and match spied under the blind

Shiny and contoured the railway winds

And I've heard the sound from my cousin's bed

The hiss of the train at the railway head

A - Am C/G Cj7/G
A - a - always the sum-mers
are slipping a-way A C/G Cj7/G

2. A 60 ton angel falls to the earth

A pile of old metal, a radiant blur

Scars in the country, the summer and her

Always the summers are slipping away

Find me a way for making it stay

When I hear the engine pass

I'm kissing you wide

The hissing subsides

I'm in luck

When the evening reaches here

You're tying me up

I'm dying of love

It's OK

I'm coming around, I'm coming around

Chorus

Dm Hey man, I'm your *C/D* worst choice
Dmsus4 You don't know, I want *D* it so *Csus4* *C*

Hey man, I'm your dark voice

You don't know where we will go

1 *Hero of war*

1. He said, "Son^E
 Have you see the world?^{G#m}
 Well, what would you say^A
 If I said that you could?^E
 Just carry this gun^A
 And you'll even get paid"^E
 I said, "That sounds pretty good"^B

2. Black leather boots
 Spit-shined so bright
 They cut off my hair
 But it looked alright
 We marched and we sang
 We all became friends
 As we learned how to fight

A hero of war^{C#m}
 Yeah that's what I'll be^A
 And when I come home^E
 They'll be damn proud of me^B
 I'll carry this flag^{C#m}
 To the grave if I must^A
 Because it's flag that I love^E
 And a flag that I trust^B

3. I kicked in the door
 I yelled my commands
 The children, they cried
 But I got my man
 We took him away
 A bag over his face
 From his family and his friends

4. They took off his clothes
 They pissed in his hands
 I told them to stop
 But then I joined in
 We beat him with guns
 And batons not just once
 But again and again

5. She walked
 Through bullets and haze
 I asked her to stop
 I begged her to stay
 But she pressed on
 So I lifted my gun
 And I fired away

6. The shells
 Jumped through the smoke
 And into the sand
 That the blood now had soaked
 She collapsed
 With a flag in her hand
 A flag white as snow

A hero of war
 Is that what they see
 Just medals and scars
 So damn proud of me
 And I brought home that flag
 Now it gathers dust
 But it's a flag that I love
 It's the only flag I trust

7. He said, "Son

Have you seen the world?

Well what would you say

If I said that you could?"

4. Are you going to Scarborough Fair
Parsley, sage, rosemary and thyme
Remember me to one who lives there
She was once a true love of mine
-

1. Tell her to make me a cambric shirt
(On the side of a hill in the deep forest green)
Parsley, sage, rosemary and thyme
(Tracing of sparrow on snow crested brown)
Without no seams nor needle work
(Blankets and bedclothes the child of the mountain)
Then she'll be a true love of mine
(Sleeps unaware of the clarion call)
2. Tell her to find me an acre of land
(On the side of a hill a sprinkling of leaves)
Parsley, sage, rosemary and thyme
(Washes the grave with silvery tears)
Between the salt water and the sea strands
(A soldier cleans and polishes a gun)
Then she'll be a true love of mine
3. Tell her to reap it with a sickle of leather
(War bellows blazing in scarlet battalions)
Parsley, sage, rosemary and thyme
(Generals order their soldiers to kill)
And gather it all in a bunch of heather
(And to fight for a cause they've long ago forgotten)
Then she'll be a true love of mine

3 *The Sound of Silence*

1. ^{Am} Hello darkness, my old friend ^G
^{Am} I've come to talk with you again
^C Because a vision ^F softly ^C creeping
^F Left its seeds while I was sleeping ^C
^F And the vision that was planted in my ^C brain
^{Am} Still remains
^C Within the ^G sound of ^{Am} silence

2. In restless dreams I walked alone
 Narrow streets of cobblestone
 Neath the halo of a street lamp
 I turned my collar to the cold and damp
 When my eyes were stabbed by the flash of a neon light
 That split the night
 And touched the sound of silence

3. And in the naked light I saw
 Ten thousand people, maybe more
 People talking without speaking
 People hearing without listening
 People writing songs that voices never share
 And no one dared
 Disturb the sound of silence

4. "Fools" said I, "You don't know
 Silence's like a cancer grows
 Hear my words and I might teach you
 Take my arms and I might reach you"
 But my words like silence raindrops fell
 And echoed
 In the wells of silence

5. And the people bowed and prayed
 To the neon god they made
 And the sign flashed out its warning
 In the words that it was forming
 And the sign said, "The words of the prophets
 Are written on the subway walls, and tenement halls"
 And whispered in the sound of silence

1 *Father and Son*

1. It's not time to make a change
Just relax, take it easy
You're still young, that's your fault
There's so much you have to know

Find a girl, settle down
If you want, you can marry
Look at me, I am old
But I'm happy

2. I was once like you are now
And I know that it's not easy
To be calm when you've found
Something going on

But take your time, think a lot
Think of everything you've got
For you will still be here tomorrow
But your dreams may not

3. How can I try to explain?
When I do, he turns away again
And it's always been the same
Same old story

From the moment I could talk
I was ordered to listen
Now there's a way, and I know
That I have to go away
I know, I have to go

4. It's not time to make a change
Just sit down
And take it slowly
You're still young, that's your fault
There's so much you have to go through

Find a girl, settle down
If you want, you can marry
Look at me, I am old
But I'm happy

5. All the times, that I've cried
Keeping all the things I knew inside
And it's hard
But it's harder to ignore it

If they were right, I'd agree
But it's them, they know, not me
Now there's a way, and I know
I have to go away
I know I have to go

1. ^{Am} Now that I've ^{D7}lost everything to you ^G
^G You say you ^Cwanna start something ^Fnew
^F And it's ^{Dm}breaking my heart you're ^Eleaving
^E Baby, I'm grievin'

But if you want to leave, take good care

Hope you have a lot of nice things to wear

But then a lot of nice things turn bad, out ^{G7}there

^C ^G Oh baby, baby, it's a ^{Am} ^Fwild world
^G It's hard to get ^Fby, just upon a ^Csmile
^C ^G Oh baby, baby, it's a ^{Am} ^Fwild world
^G I'll always remember you like a ^Fchild, girl ^{D E}

2. You know I've seen a lot of what the world can do

And it's breaking my heart in two

Because I never want to see you sad, girl

Don't be a bad girl

But if you want to leave, take good care

Hope you make a lot of nice friends out there

But just remember there's a lot of bad, out there

1 *Kleid aus Rosen*

Chorus

1. Ein gutes Mädchen lief einst fort,
Verließ der Kindheit schönen Ort;
Verließ die Eltern und sogar
Den Mann, dem sie versprochen war.
Vor einem Haus da blieb sie steh'n,
Darinnen war ein Mann zu sehn
Der Bilder stach in nackte Haut,
Da rief das gute Mädchen laut:

Meister, Meister gib mir Rosen,
Rosen auf mein weißes Kleid,
Stech die Blumen in den bloßen
Unberührten Mädchenleib

2. "Diese Rosen kosten Blut",
So sprach der Meister sanft und gut,
"Enden früh dein junges Leben,
Will dir lieber keine geben."
Doch das Mädchen war vernarrt,
Hat auf Knien ausgeharrt
Bis er nicht mehr widerstand
Und die Nadeln nahm zur Hand.

Chorus

Und aus seinen tiefen Stichen
Wuchsen Blätter, wuchsen Blüten,
Wuchsen unbekannte Schmerzen
In dem jungen Mädchenherzen
Später hat man sie gesehen
Einsam an den Wassern stehen
Niemals hat man je erfahren
welchen Preis der Meister nahm

1 *Just the Two of us*

Cj7 B7 Em7 Dm7 G7 Cj7 B7 Em7

1. I see the crystal rain drops fall
 And the beauty of it all
 Is when the sun comes shining through
 To make those rainbows in my mind
 When I think of you sometime
 And I want to spend some time with you

Just the two of us, we can make it if we try
 Just the two of us, just the two of us
 Just the two of us, building castles in the sky
 Just the two of us, you and I

Cj7 B7 B^bj7 A7 A^bj7 G7 Cj7 B7

2. We look for love
 No time for tears
 Wasted water's all that is
 And it don't make no flowers grow
 Good things might come to those who wait
 But not for those who wait too late
 We've got to go for all we know

Chorus

3. I hear the crystal raindrops fall on the window down the
 hall
 And it becomes the morning dew
 And Darling, when the morning comes
 And I see the morning sun
 I want to be the one with you

Chorus
